Memorandum

Date: March 21, 2018
To: Board of Supervisors
From: George Chapjian, Community Services Director
Subject: Commercial PACE Board item

The Sustainability Division docketed a Board letter and associated attachments regarding implementation of California Statewide Communities Development Authority's (CSCDA) Open PACE program for Board meetings taking place on March 13, 2018 and April 3, 2018. Included in the docketed item was Attachment 2: CSCDA Program Report. CSCDA has advised staff that revisions have been made to the Report but are mostly administrative in nature. For the Board's convenience, we've attached both the strikethrough and final versions of the updated Program Report.

If you have any questions please feel free to contact me.
