Honorable Santa Barbara County Board of Supervisors

RE: Library Service Delivery Consultant Update

The City's representative to the Library Advisory Committee voted for and supports the recommendations, including the long term solution of possibly moving to a new Zone 4 managed by the City of Goleta, as noted in the April 3, 2018, Board Agenda Report. We understand that any move would most likely not occur in Fiscal Year 18-19.

Sincerely,

Marc P. Bierdzinski
City Manager
