

HISTORY OF OIL EXHIBIT

CONTRACT BETWEEN THE COUNTY OF SANTA BARBARA AND SANTA BARBARA MARITIME MUSEUM

This Contract is made by and between the Santa Barbara Maritime Museum, a non-profit, charitable corporation registered under Section 501.c.3 of the U.S. Internal Revenue Code (hereinafter referred to as "GRANTEE"), and the County of Santa Barbara, a political subdivision of the State of California (hereinafter referred to as "COUNTY"), wherein COUNTY agrees to grant certain funds to GRANTEE for the purposes and on the conditions specified herein.

RECITALS

WHEREAS, environmental impact reports prepared for oil development projects offshore Santa Barbara County have identified adverse, residual impacts to local coastal resources not otherwise mitigable;

WHEREAS, COUNTY established and administers the Coastal Resource Enhancement Fund (hereinafter referred to as "CREF") that is financially supported by offshore oil and gas developers to mitigate these impacts; and

WHEREAS, the County Board of Supervisors conducted a public hearing for the 2017 CREF funding cycle and found GRANTEE's proposal to fulfill the intent and purpose of CREF by enhancing coastal recreation and coastal tourism.

TERMS AND CONDITIONS

Now, therefore, in consideration of the mutual promises hereinafter set forth, it is agreed as follows:

(1) Obligations to be Performed Under this Contract. Within the Time of Performance specified in paragraph 3, GRANTEE shall perform all of the obligations described in this Contract and set forth in the project description, which is attached hereto and incorporated herein by reference as Exhibit A (hereinafter referred to as "PROJECT").

(2) Grant Funding. COUNTY shall award to GRANTEE an amount not to exceed \$10,000 (ten thousand dollars) from CREF (Fund #0063, Dept. #053, Program #5090, Account #7863, Project #1705) no later than thirty (30) days after execution of this Contract, to complete PROJECT.

(3) Time of Performance. PROJECT shall be completed on or before February 15, 2019. However, COUNTY's Director of Planning & Development Department (hereinafter referred to as "DIRECTOR") may extend the time of performance by up to one year for good cause.

GRANTEE agrees to operate PROJECT for a minimum of five years following installation of project. If for some reason, GRANTEE cannot operate the Center during this time, GRANTEE shall notify COUNTY, and GRANTEE and COUNTY shall agree on a governmental agency or a non-profit organization to assign ownership of the items funded by this grant.

(4) Matching Funds. GRANTEE shall provide matching funds, as described in Exhibit A, as a condition of receiving this grant from the COUNTY. Failure to provide such funds shall, at the discretion of the DIRECTOR, be grounds for termination of this Contract. Upon such termination, GRANTEE shall within 14 days of termination return any grant funds received from the COUNTY under this Contract.

(5) Project Amendments. GRANTEE shall obtain prior written approval from the DIRECTOR for any changes proposed by GRANTEE in the PROJECT as described herein. Such changes include any change to the project description, any reduction in the overall project budget, or any change in a budget item of 10 percent or more. If the DIRECTOR finds that GRANTEE has proposed a change that represents a significant departure from the project originally considered and approved by the Board, then Board approval shall be required for such project changes.

(6) Project Cost Increases. If, for any reason, PROJECT costs exceed or are expected to exceed those represented by GRANTEE for receipt of this grant, and such increases cannot be covered by GRANTEE from its own or matching funds, GRANTEE shall notify COUNTY within 10 days of discovering the potential cost exceedance. If GRANTEE cannot secure the necessary resources within 30 days of notifying COUNTY, at the end of those 30 days, GRANTEE shall return to COUNTY all unspent monies of this grant (including monies encumbered by contracts). COUNTY shall hold the grant until GRANTEE secures all necessary resources to complete this PROJECT. Failure to secure said resources prior to PROJECT completion date in Article 3 of this Contract shall result in forfeiture of grant by GRANTEE.

(7) Project Cost Savings. GRANTEE shall return any unspent funds granted under this Contract to COUNTY within 60 days of completing PROJECT construction, and COUNTY shall return any unspent funds to CREF for reallocation by COUNTY in future funding cycle(s). If, for any reason, GRANTEE finds it cannot complete PROJECT, GRANTEE shall report that finding to COUNTY immediately and return any unspent funds granted under this Contract (including monies encumbered by subsequent contracts) to CREF within 14 days of that finding.

(8) Acknowledgement. GRANTEE shall publicly identify on a plaque located with PROJECT that PROJECT was "...financed by Santa Barbara County's Coastal Resource Enhancement Fund, a partial mitigation of impacts from the following offshore oil and gas projects: Point Arguello, Point Pedernales, and Santa Ynez Unit."

(9) Non-Partnership. This Contract is not intended by the parties to constitute or create a joint venture, pooling arrangement, or formal business organization of any kind. The rights and obligations of the parties shall be only those expressly set forth herein.

(10) Status of GRANTEE. GRANTEE and GRANTEE's subcontractors shall perform all services under this Contract as independent parties and not as employees, officers or agents of the COUNTY.

(11) Indemnification. GRANTEE shall defend, indemnify, and save harmless the COUNTY and its officers, agents and employees from any and all claims, demands, damages, costs, expenses (including attorney fees), judgments or liabilities arising out of this Contract or occasioned by the performance or attempted performance of the provisions hereof; including, but not limited to, any act or omission on the part of GRANTEE or its agents or employees. GRANTEE shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with the Contract.

(12) Semi-Annual Reports; Public Briefing. GRANTEE shall provide COUNTY with semi-annual written reports of the progress of PROJECT until completion of PROJECT. GRANTEE shall submit the progress reports to COUNTY according to the schedule set forth below:

PERIOD	REPORT DUE
April - September	October 15
October - March	April 15

The report shall compare the project's progress to the description, budget and schedule in Exhibit A, including:

(a) The status of each task. This section shall include any proposed changes to the tasks, whether the project is progressing according to the schedule, and anticipated accomplishments in the upcoming months; and

(b) The costs to date compared with the approved budget. The report shall state whether or not PROJECT is progressing within the approved budget and discuss any proposed changes.

GRANTEE agrees to participate in a public briefing, if determined necessary and appropriate by COUNTY, to provide a summary of PROJECT.

(13) Final Report. Within 45 days of completion of PROJECT, GRANTEE agrees to provide to COUNTY a final report, which shall include:

(a) a brief summary of PROJECT's objectives and how these objectives were accomplished,

(b) an itemized list and support documentation of all expenses incurred to complete PROJECT, and

(c) photos of the completed exhibit.

(14) Records. GRANTEE shall maintain complete financial records that clearly reflect the expenditures of this grant and matching funds in accordance with generally accepted accounting principles and that evidence proper audit trails reflecting the true cost of the services rendered and costs incurred for the project. GRANTEE shall maintain all such records for a minimum of four years after PROJECT completion. GRANTEE agrees that COUNTY's designated representative may, at any time during normal working hours and up to four years after PROJECT completion, review or audit all records regarding performance of this Contract. GRANTEE shall submit to COUNTY copies of findings of any audits which GRANTEE commissions.

(15) Termination.

(a) COUNTY may, in its sole discretion, terminate this Contract for convenience by giving thirty (30) days prior written notice to GRANTEE. GRANTEE shall not incur any unnecessary expenses or costs which are reimbursable under this Contract during this period except those absolutely necessary to close out all activities related to the Contract. COUNTY will not compensate any other charges incurred by GRANTEE during this period unless approved in writing by the DIRECTOR.

(b) COUNTY may terminate this Contract for cause should GRANTEE default in the performance of this Contract or materially breach any of its provisions. Such termination shall be by written notice and shall be effective upon receipt by GRANTEE.

(c) Upon termination of this Contract pursuant to this section, GRANTEE shall within 14 days return any unspent grant funds received from COUNTY under this Contract, and provide COUNTY an itemized list and supporting documentation of all expenses incurred on the PROJECT.

(16) Remedies Not Exclusive. No remedy herein conferred upon or reserved to either party is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

(17) Waivers. The waiver by either party to this Contract of any term, covenant, or condition of this Contract or of any provision, ordinance, or law, shall not be deemed to be a continuing waiver of such term, covenant, condition, or law, or of any subsequent breach or violation of the same, or of any other term, covenant, ordinance, or law.

(18) Grant Contract Integrated. In conjunction with the matters considered herein, this Contract contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Contract may be altered, amended or modified only by an instrument in writing, executed by the parties to this Contract and by no other means. Each party waives their future right to claim,

contest or assert that this Contract was modified, canceled, superseded or changed by any oral agreements, course of conduct, waiver or estoppel.

Exhibit A

PROJECT DESCRIPTION, BUDGET, AND SCHEDULE

Project Description.

GRANTEE shall design, fabricate and install Phase II of an exhibit that informs the public about oil in the Santa Barbara Channel at its Santa Barbara Maritime Museum (SBMM). The entire exhibit shall include multiple sections throughout the museum, located both downstairs and upstairs. The exhibit sections are described below.

- Downstairs next to the exhibit - *Chumash and Oil in the channel in the Historic Path*, a new display case, *Oil in Demand: Boom Time*, shall contain: 1) photographs of local asphalt mine operations, miners, and the oil piers along Summerland's coast; and 2) postcards showing effects the boom had on local industry and the city's development as well as potential artifacts including historical aluminum oil trucks and signs from local small oil companies.
- Downstairs and on the outdoor patio of the museum, two existing exhibits that showcase commercial diving and diving helmets shall be updated. SBMM will add 3-4 diving helmets in a new display case that describe the chronology of the helmet used for abalone hunting to working on deep water oil wells. The exhibit will showcase local divers and describe their impactful innovations in diving, such as the use of helium-oxygen, the creation of the Purisima Diving Bell, the world's first commercial lockout diving bell, and the JIM Suit. The exhibit will incorporate many of the current exhibits on display, in a more organized, connected story line, while also utilizing artifacts.
- Upstairs attached to the second-floor railing, a custom-built showcase, *Oil is Everywhere: Oil in Our Everyday Lives*, shall contain objects and graphics of vintage and current household items, such as Superla birthday candles, Esso Household Wax, an oil-branded toy truck, and a Standard Oil board game. This section shall include an interactive component, flip doors with questions and answers to what objects contain oil derivatives.
- Upstairs, a new display case, *Life on and below the Platform: Offshore Drilling and Marine Life*, shall focus on what life (human and marine) is like on an off-shore oil platform. This display exhibit shall include a large photo-mural of a platform in the Santa Barbara Channel and photos of various platform operators. Descriptions of what constitutes a typical platform, including helipad, control room and personal quarters shall accompany the photos. The exhibit shall include a "fast fact" list that describes the types of jobs on a platform and the typical shift. Two drill bits shall be encased in the display case. Marine life that uses the platform structure like a reef and Santa Barbara's aquaculture shall be included in this exhibit through photographs, text descriptions and

underwater video footage of life below the platform, from rigs to reefs, and life on the platform. A can of mussels harvested locally shall be on display. Large pull-quotes (a brief, attention-catching quotation) that illustrate differing opinions about the aquaculture industry shall be graphically displayed.

- Upstairs along a wall, an existing exhibit, *The Spill's Broad Reach*, shall be relocated, upgraded, and renamed to *Oil and the Environment*. The existing exhibit consists of text, photographs, and display case on the 1969 Santa Barbara Channel oil spill. Photographs and informational text of the 2015 Refugio oil spill shall be included in this exhibit. Informational text shall focus on impacts to marine life and past and present efforts to prevent and clean up spills. The exhibit shall discuss grassroots efforts to keep the Santa Barbara Channel's ocean waters clean, (i.e., Patagonia, Surf Rider Foundation, Get Oil Out, Santa Barbara Channel keeper, Environmental Defense Center, Heal the Ocean and Stop Oil Seeps). Clean Seas efforts to clean up oil spills will also be illustrated.
- Upstairs next to the existing *Point Conception* light bulb display, a new display case, *Oil as Light*, shall describe the move from whale oil to kerosene to electricity. On display shall be an antique whale oil lamp, kerosene lamp, and Edison bulb.
- Upstairs another existing display, *Under Attack: The Bombardment of Ellwood*, shall be upgraded by: 1) housing the exhibit's metal door with holes in a more protective display; and 2) displaying original press photos, other imagery and text that describe the role that oil played in this mainland attack.

(Phase I of the exhibit highlights the geology of oil in the Santa Barbara Channel and the Chumash use of asphaltum and opened to the public in April of this year.)

GRANTEE agrees to operate and allow the public access to the oil exhibit for a minimum of five years, following installation of the foregoing items with no additional dependence of CREF for operations or maintenance.

Exhibit B

COUNTY OF SANTA BARBARA UNLAWFUL DISCRIMINATION ORDINANCE

Sec. 2-95. Prohibition of unlawful discrimination in employment practices. The County of Santa Barbara reserves the right to terminate forthwith each and every written contract and agreement (except purchase orders) for goods and/or services entered into by the County of Santa Barbara or by its joint powers, agencies or agents with the consent of the other parties (hereinafter called "contractor") including but not limited to concessions, franchises, construction agreements, leases, whether now in effect or hereinafter made if the county finds that the contractor is discriminating or has discriminated against any employee or applicant for employment in violation of any applicable state or federal laws, rules or regulations which may now or hereafter specifically prohibit such discrimination on such grounds as race, religion, sex, color, national origin, physical handicap when otherwise qualified, Vietnam era veteran/disabled, or age.

Such finding may only be made after contractor has had a full and fair hearing on notice of thirty (30) days before an impartial hearing officer at which hearing contractor may introduce evidence, produce witnesses and have the opportunity to cross-examine witnesses produced by the county. Further, any finding of discrimination must be fully supported by the facts developed at such hearing and set forth in a written opinion; and in addition, contractor may move in the appropriate court of law for damages and/or to compel specific performance of a contractor or agreement if any the above procedures are not afforded to the contractor. If contractor is not found to have engaged in unlawful discriminatory practices, county shall pay all costs and expense of such hearing, including reasonable attorneys' fees to contractor in accordance with current Santa Barbara County Superior Court schedule of attorneys' fees for civil trials. If contractor is found to have engaged in such unlawful discriminatory employment practices, contractor shall pay all such costs, expenses and attorneys' fees.

Whether or not a contract or agreement is still in existence at the time of final determination of such unlawful discrimination, the contractor shall forthwith reimburse county for all damages directly stemming from such discrimination; however, those damages shall not exceed and are not reimbursable in an amount which exceeds amounts paid contractor under the terms of the contract or agreement.

Nothing in this section 2-95 shall directly or by interpretation give a private cause of action to any third party (not a signatory to the contract or agreement) including employees past or present, or applicants for employment to contractor, it being the sole purpose of this clause to administratively assure compliance with the nondiscrimination clauses contained herein.

Employment practices shall include, but are not limited to employment, promotion, demotion, transfer, recruitment and advertising for recruitment, layoff or other termination, rate of pay, employee benefits and all other forms of compensation selection for training and apprenticeship and probationary periods.

Contractor shall permit access at all reasonable time and places to all of its records of employment, advertising, application forms, tests and all other pertinent employment data and records, to the County of Santa Barbara, its officers, employees and agents for the purpose of investigation to ascertain if any unlawful discrimination as described herein has occurred or is being practiced, provided that such records are relevant to a complaint of an unlawful discriminatory practice which has been

forwarded to contractor reasonably prior to the time contractor is asked to make such records available. In addition, all such records shall be deemed "Confidential" by the officers, employees and agent of the county. No records or copies of such records may be removed from the premises of contractor and no disclosure, oral or written of such record, may be made to third parties except as provided within the agreement.

Provided, however, that in the event of a hearing to determine whether or not contractor is engaging in unlawful discrimination in employment practices as defined herein, the board of supervisors of Santa Barbara County may issue subpoenas to require that certified copies of such records be made available to the hearing.

Failure to fully comply with any of the foregoing provisions relating to unlawful discrimination in employment practices shall be deemed to be a material breach of any contract or agreement with the County of Santa Barbara. All persons contracting with or who have contracts for goods or services with the county shall be notified that this chapter applies to their contract or agreement with the County of Santa Barbara. (Ord. No. 2946, SS 1; Ord. No. 2993, SS 1; Ord. No. 3018, SS 1)

Sec. 2-95.5. Exceptions. Notwithstanding any other provisions in this article, any party contracting with the County of Santa Barbara having an affirmative action program which has been approved within thirty-six (36) months from the date of the contract by an agency of the federal government shall be deemed to be in compliance with the provisions of this article upon furnishing documentary evidence of such approval satisfactory to the county affirmative action officer. Loss of such approval shall be immediately reported by such party to the county affirmative action officer.

Sec. 2-96. Purchase orders. Purchase orders shall contain the following clause as grounds for termination of such purchase order.

"If complaint is made that seller is engaging in discriminatory employment practices made unlawful by applicable state and federal laws, rules or regulations, and the State Fair Employment Practice Commission or the Federal Equal Employment Opportunities Commission determines that such unlawful discrimination exists, then the County of Santa Barbara may forthwith terminate this order." (Ord. No. 2946, § 1)

Sec. 2-97. Affirmative action officer. At the discretion of the county affirmative action officer, he or she shall promptly and thoroughly investigate, or cause to be investigated reports and complaints from whatever source, that any party contracting with the County of Santa Barbara is engaging, or during the term of a contract or agreement with the County of Santa Barbara has engaged, in any unlawful discriminatory employment practices as described in Section 2-95 of this Code. If the investigation discloses reason to believe such unlawful discrimination does exist or has existed and the conditions giving rise thereto have not been changed so as to prevent further such unlawful discrimination, and the said party shall not forthwith terminate such unlawful discrimination, take all appropriate steps to prevent a recurrence of such or other unlawful practices, and compensate the person or persons unlawfully discriminated against for any and all loss incurred by reason of such unlawful discrimination, all to the satisfaction of the affirmative action officer, then the affirmative action officer shall cause the matter to be presented for action to the State Fair Employment Practices Commission or the Federal Equal Employment Opportunities Commission, or both, and to any other concerned state or federal agencies or officers.

If and when it has been finally determined by the affirmative action officer, county counsel, or state or federal regulatory agencies that such unlawful discriminatory employment practice has in fact so occurred or are being carried on, then the affirmative action officer shall forthwith present the entire matter to the board of supervisors of the county, together with all damages, costs and expense related thereto and incurred by county, for appropriate action by the board of supervisors in accord with the intent and purposes of this article and of the affirmative action program of the County of Santa Barbara (Ord. No. 2946, § 1).
