SUBJECT: Coastal Engineering Beach Profile Survey Agreement with Coastal Frontiers Corp. for the Goleta Beach Project; Second Supervisorial District

County Counsel Concurrence

As to form: Yes

Auditor-Controller Concurrence

As to form: N/A

Recommended Actions:

That the Board of Supervisors:

- a) Approve and authorize the Chair of the Board of Supervisors to execute the professional services agreement with Coastal Frontiers Corporation (Contractor) in the amount not to exceed \$81,403 to allow the Contractor to provide beach profile surveying and annual survey reporting for the Goleta Beach Project (Attachment A); and
- b) Determine that the recommended actions are statutorily exempt from the California Environmental Quality Act pursuant to California Public Resources Code section 21080.5 and the Guidelines for the Implementation of CEQA, 14 CCR Section 15002(I) and 15251(c) (certified regulatory plan in-lieu-of EIR), and direct staff to file the Notice of Exemption on that basis (Attachment B).

Summary Text:

The attached professional services agreement allows Coastal Frontiers Corp. to provide coastal engineering services to the Santa Barbara County Parks Division for the Spring 2018, Fall 2018 and Spring 2019 beach profile surveys of Goleta Beach as well as the 2018 annual survey report required per Coastal Development Permit No. 4-14-0687-A1 (CDP). When combined with existing County contracts, this County Parks Division contract of \$81,403 will exceed \$100,000 County-wide for Coastal Frontiers.

Background:

Coastal Development Permit No. 4-14-0687 was issued in December 2015 to retain a 1,200 linear foot revetment at Goleta Beach and was amended in October 2017 to retain 415 linear feet of additional emergency protections. The special conditions of the CDP require a coastal engineer to perform bi-annual beach profile surveys and issue annual reports of the beach profile results to the California Coastal Commission staff.

Risk:

The agreement applies County standard independent contractor terms and conditions in accordance with State of California laws and regulations. The risk mitigation includes insurance coverage appropriate for the level of risk involved as determined by Community Services in conjunction with the County Risk Manager, and the agreement indemnifies County agents, officers and employees from all claims that arise from activities performed under the agreement.

Fiscal and Facilities Impacts:

All costs for work conducted by the Contractor are budgeted within the Community Services Department Parks Division operating budget.
