Recommended Actions:

That the Board of Supervisors:

- a.) Accept a \$201,000 sub-grant award from the Federal Emergency Management Agency, administered by the San Diego Sheriff's Department to reimburse the County of Santa Barbara for the Santa Barbara Sheriff's Office continued assistance to the Federal Department of Homeland Security to combat the continuing trend of transnational smuggling of people and controlled substances, occurring within and through Santa Barbara County during Federal fiscal year 2017 (9/1/17 through 5/31/2020).
- b.) Authorize the Sheriff to sign the FY2017 Operation Stonegarden Grant MOA.
- c.) Determine that the above recommended action is not subject to environmental review under the California Environmental Quality Act (CEQA) pursuant to Section 15378(b)(4) of the CEQA Guidelines. The proposed action consists solely of government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.

Summary Text:

On or about October 10, 2017, the Santa Barbara Sheriff's Office was awarded grant funding of \$201,000 from the Federal Emergency Management Agency (FEMA), as a sub-grantee of the San Diego Sheriff's Department, for our participation in Operation Stonegarden program (OPSG) during Federal fiscal year 2017 (9/1/2017 through 5/31/2020). The OPSG program enhances law enforcement resources and capabilities that are directed toward the detection and investigation of transnational

smuggling crimes, which are occurring on a regular basis via the Santa Barbara County coastline. The Santa Barbara Sheriff's Office will use the grant funds to pay for personnel overtime and operating expenses that are incurred in furtherance of the OPSG program.

Background:

Historically, Los Angeles and San Diego Counties are highly favored target locations for human trafficking and drug smuggling organizations bringing illegal drugs, via boat, to the United States. Over the past few years, this maritime based transnational smuggling threat evolved and progressed to the point that it is now regularly affecting the coastlines of Ventura, Santa Barbara and San Luis Obispo counties. In order to raise the level of border security and reduce the threat of border-related crime, OPSG seeks to increase the overall law enforcement presence and special operations capabilities in rural and coastal areas to address and reduce criminal activity associated with alien and drug smuggling. This grant will allow the Santa Barbara Sheriff's Office to regularly deploy personnel and other resources in an effort to better protect our communities from this increasing criminal threat and in furtherance of the OPSG objectives. The acceptance of the OPSG grant funding will minimize the financial impact of this ongoing transnational criminal threat has upon our Santa Barbara County community.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

The FY2017-18 Adjusted Budget includes \$52,500 in FEMA grant funds (disbursed through San Diego Sheriff) and corresponding expenses, therefore, no budget revision is requested as part of this board action. The grant operates on a reimbursement basis, whereby claims of expenses incurred are filed with SDSO/ FEMA and payments are usually received within 60 days. The associated revenues and expenditures will be accounted for in the Financial Information Network under Project Code 2616.
