Scope of Work

1. Service Overview

Contractor agrees to provide to the California Department of Health Care Services (DHCS) the services described herein.

The Federal Emergency Management Agency (FEMA) provides assistance to states that suffer natural disasters pursuant to the Stafford Act. Section 416 of that Act authorizes FEMA to fund behavioral health services and training following a natural disaster. Pursuant to that section of the Act FEMA funds crisis counseling and related services through the Federal Crisis Counseling Assistance and Training Program (CCP) for a limited period of time.

The CCP is comprised of three funding terms:

- 1) Immediate Services Program (ISP) – Funding is provided for the CCP for 60 days from the date of the Presidential declaration;
- 2) Immediate Services Program Extension (ISP Extension) – Funding is provided to cover the period from the day after the end of the ISP to the award date of the Regular Services Program (RSP). The review and approval process time for the RSP is estimated to take between six and eight weeks.
- 3) Regular Services Program (RSP) – Funding is provided for 9 months from award date to continue and expand the provision of crisis counseling program services.

In December 2017 there were wildfires in three Southern California counties: Los Angeles, Santa Barbara, and Ventura. On January 15, 2018, the State of California received a Presidential Disaster Declaration for the wildfires (FEMA-4353-DR-CA), which authorized California to apply for CCP funding. California successfully applied for funding for the ISP and the ISP Extension.

The State of California provides a comprehensive array of Specialty Mental Health Services to Medi-Cal beneficiaries in each county through a county mental health plan, which contracts with DHCS to provide those services. County mental health plans are required to provide or arrange for the provision of Specialty Mental Health Services to Medi-Cal beneficiaries. Each county's behavior health (or mental health) department operates its mental health plan and is able to arrange for the provision of crisis counseling services.

This Agreement provides CCP funding to Santa Barbara County's Department of Mental Health to provide crisis counseling and related services pursuant to the initial 60 day CCP funding term, the ISP, and the ISP Extension. In order to address the need for crisis counseling services in Santa Barbara County, and in accordance with CCP

f. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.
- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

A breach shall be treated as discovered by Business Associate as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach) who is an employee, officer or other agent of Business Associate.

Notice shall be provided to the DHCS Program Contract Manager, the DHCS Privacy Officer and the DHCS Information Security Officer. If the incident occurs after business hours or on a weekend or holiday and involves data provided to DHCS by the Social Security Administration, notice shall be provided by calling the DHCS EITS Service Desk. Notice shall be made using the "DHCS Privacy Incident Report" form, including all information known at the time. Business Associate shall use the most current version of this form, which is posted on the DHCS Privacy Office website (www.dhcs.ca.gov, then select "Privacy" in the left column and then "Business Use" near the middle of the page) or use this link:

<http://www.dhcs.ca.gov/formsandpubs/laws/priv/Pages/DHCSBusinessAssociatesOnly.aspx>

Exhibit F
HIPAA Business Associate Addendum

2. **Investigation and Investigation Report.** To immediately investigate such security incident, breach, or unauthorized access, use or disclosure of PHI or PI. If the initial report did not include all of the requested information marked with an asterisk, then within 72 hours of the discovery, Business Associate shall submit an updated "DHCS Privacy Incident Report" containing the information marked with an asterisk and all other applicable information listed on the form, to the extent known at that time, to the DHCS Program Contract Manager, the DHCS Privacy Officer, and the DHCS Information Security Officer:
3. **Complete Report.** To provide a complete report of the investigation to the DHCS Program Contract Manager, the DHCS Privacy Officer, and the DHCS Information Security Officer within ten (10) working days of the discovery of the breach or unauthorized use or disclosure. If all of the required information was not included in either the initial report, or the Investigation Report, then a separate Complete Report must be submitted. The report shall be submitted on the "DHCS Privacy Incident Report" form and shall include an assessment of all known factors relevant to a determination of whether a breach occurred under applicable provisions of HIPAA, the HITECH Act, the HIPAA regulations and/or state law. The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If DHCS requests information in addition to that listed on the "DHCS Privacy Incident Report" form, Business Associate shall make reasonable efforts to provide DHCS with such information. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated "DHCS Privacy Incident Report" form. DHCS will review and approve or disapprove the determination of whether a breach occurred, is reportable to the appropriate entities, if individual notifications are required, and the corrective action plan.

The notifications shall comply with the requirements set forth in 42 U.S.C. section 17932 and its implementing regulations, including, but not limited to, the requirement that the notifications be made without unreasonable delay and in no event later than 60 calendar days. The DHCS Program Contract Manager, the DHCS Privacy Officer, and the DHCS Information Security Officer shall approve the time, manner and content of any such notifications and their review and approval must be obtained before the notifications are made.

If a breach of unsecured PHI involves more than 500 residents of the State of California or its jurisdiction, Business Associate shall notify the Secretary of the breach immediately upon discovery of the breach. If Business Associate has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to DHCS in addition to Business Associate, Business Associate shall notify DHCS, and DHCS and Business Associate may take appropriate action to prevent duplicate reporting. The breach reporting requirements of this paragraph are in addition to the reporting requirements set forth in subsection 1, above.
6. **DHCS Contact Information.** To direct communications to the above referenced DHCS staff, the Contractor shall initiate contact as indicated herein. DHCS reserves the right to make changes to the

Business Associate shall promptly remedy any violation of any provision of this Addendum and shall certify the same to the DHCS Privacy Officer in writing. The fact that DHCS inspects, or fails to inspect, or has the right to inspect, Business Associate's facilities, systems and procedures does not relieve Business Associate of its responsibility to comply with this Addendum, nor does DHCS':
