Cite specific CEQA Guideline Section: 15061(b)(3). The activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.
Reasons to support exemption findings (attach additional material, if necessary): The County's adoption of the Resolution and Notice of Intent to Vacate a County Road is a paper transaction that will not result in physical impacts of changes to the environment.
