

TO AGREEMENT FOR SERVICES OF INDEPENDENT CONTRACTOR

This is Third Amendment (hereafter referred to as the “Third Amended Contract”) to the Agreement for Services of Independent Contractor, referenced as number **BC 18-101**, by and between the **County of Santa Barbara** (County) and **Mental Health Association in Santa Barbara County (DBA Mental Wellness Center)** (Contractor), wherein Contractor agrees to provide and County agrees to accept the services specified herein.

**Whereas**, this Third Amended Contract incorporates the terms and conditions set forth in the original contract approved by the County Board of Supervisors in June 2017, the First Amended Contract executed in September 2017, and the Second Amended Contract executed effective February 15, 2018, except as modified by this Third Amended Contract.

**Whereas**, this Third Amended Contract clarifies FEMA grant obligations and payment procedures set forth in the Grant Agreement No. 17-94705 between DHCS and Behavioral Wellness by adding new language to the Crisis Counseling statement of work effective February 15, 2018 through June 30, 2018, with no change to the contract maximum amount.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

**I. In Exhibit A-5 – Statement of Work – MH – Crisis Counseling Assistance and Training, delete Section 1, Program Summary, and replace it with the following:**

- 1. PROGRAM SUMMARY.** The California Hope – 805 Program (hereafter “Program”) is designed to provide supplemental assistance for Santa Barbara Community members affected by the Thomas Fire and Montecito Mudslide. The Program, funded through the Federal Emergency Management Agency (FEMA) Grant (#17-94705) distributed by the State Department of Healthcare Services (DHCS) to Behavioral Wellness, shall assist individuals and communities in recovering from the effects of these natural disasters by providing community-based outreach and psycho-educational services. The Program has two stages, an immediate and a regular services program. The 30-day Immediate Services Program (ISP) runs from January 15 – March 15, 2018, and has been staffed by County between January 15 and February 15, but will transition to a majority of services being administered by The Mental Wellness Center (hereafter “Contractor”) in collaboration with County. If the state approves an extended Regular Services Program, that will extend Program services by an additional period up to 9 months beyond January 15, 2018.

For the period that Contractor provides Crisis Counseling services, Contractor agrees to comply with and adhere to the terms and conditions set forth in the Department of Health Care Services Agreement #17-94705 with Behavioral Wellness, including the Federal Emergency Management Agency (FEMA) grant conditions attached hereto as Attachment F. Contractor further agrees to timely complete and return the required certification (Attachment F-1) to the County for inclusion as part of the County’s Final Invoice(s) to DHCS under Agreement #17-94705.

**II. Add Attachment F, FEMA Grant Conditions.**

- F. In the event of CONTRACTOR'S noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

CONTRACTOR will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.
