Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am a retired Family Nurse Practitioner with experience working in ERs, Ambulance Service, & ICUs; also worked in several prisons in Arizona; but my main employer was the Veterans Administration where I worked as a NP and mid-level administrator. My adult daughter, now aged 34, became ill with schizophrenia 9 years ago. I have read extensively on mental health treatment and policies. I have had much experience as a father trying to assist an adult child get treatment in SB county facilities. She was recently judged by 2 psychiatrists as incompetent to stand trial for 3 incidents of driving bizarrely--due to her disease. No alcohol or illegal drugs on forensic tests. Currently she's in Jail @ S.B. awaiting transfer to psychiatric hospital facility. I'm highly motivated to decriminalize mental illness, save money spent on inefficient and outmoded treatment paradigms in jails, and better protect the general public from mentally ill who should not be driving.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I was the president of a local MADD group in Oregon. I'm a member of NAMI and FACT.
