Recommended Actions:

- a) Approve and authorize the Chair to execute the attached Statement of Final Quantities for the Construction of Ray Road Rehabilitation; County Project No. 820714 in the Third Supervisorial District for work performed and materials supplied by CalPortland Construction, Inc., (a local vendor), 1625 East Donovan Road, Santa Maria, CA 93454, in the amount of \$387,199.80; and
- b) Determine the project was found by your Board to be exempt from the provisions of the California Environmental Quality Act pursuant to 14 CCR 15301(c) on July 25, 2017 (as the proposed project(s) consists of the operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including but not limited to existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities), a Notice of Exemption was filed on that basis, and the proposed action is within the scope of the attached Notice of Exemption.

Summary Text:

This item is on the agenda to approve the attached Statement of Final Quantities. On April 10, 2018, your Board awarded the above referenced construction contract to CalPortland Construction, Inc., and construction began on April 30, 2018. The Director of Public Works accepted this project as complete on May 18, 2018.

Background:

This project resurfaced approximately 2.5 lane miles of County maintained road. This pavement rehabilitation project is one strategy the Department employs in its Pavement Preservation Program. The first step of work was to grind, recycle and compact the existing roadway to create a new structural section. The roadway was then repaved in two layers, one asphalt base and an asphalt cap. The road then received striping and new pavement marking as a final step.
