Subject: Agenda item A-39, August 28, 2018 BOS meeting

To the Board,

I guess I missed something. Back a couple of years ago, Adam Brothers Farms was raided by ICE, and found to have 300 illegal aliens in their employment. Fast forward to today. Supervisor Adam now wants everyone else to do what he himself refused to do.

Perhaps Supervisor Adam was struck by a bolt of lightning, like Paul on the road to Damascus. To bad Supervisor Adam's epiphany happened too late to help Marilyn Pharis.
