

GRANT APPLICATION

Please complete each section of this application. Incomplete applications may be rejected.

PART 1: PROJECT TITLE

Project Title: Timelapse Monitoring Cameras for Local Watershed Monitoring
Amount Requesting: 1,851.00

PART 2: GENERAL INFORMATION

Organization: South Coast Habitat Restoration			
Contact Person: Mauricio Gomez			
Address PO Box 335			
City Carpinteria	State CA	Zip 93014	
Phone 805-729-8787	Fax	Email (most communication will be by email) mgomez@schabitatrestoration.org	

PART 3: PROJECT DESCRIPTION

Note: Please state how the program or project complies with FG Code 13103 (Attachment A) and which provisions apply. If the project is for educational purposes (FG Code 13103 a.), attach a curriculum and examples of any teaching aids to be used.

The proposed project would allow SCHR to purchase 6 timelapse digital cameras to install and use at our voluntary steelhead trout habitat restoration sites in Santa Barbara County. This will allow us to document restoration efforts as well as landscape changes following the Thomas Fire and January 9 Debris Flows. SCHR was awarded funding from the Fish and Game Commission in 2013 for timelapse cameras which proved to be valuable in documenting our restoration projects and their effectiveness in improving steelhead trout habitat over time. However, following the January 9 Debris flows in the Carpinteria Creek watershed, some of these cameras were lost and destroyed. SCHR requests funding to replace these lost cameras and purchase additional new cameras with the ability to take higher resolution pictures. This request complies with FG Code 13103 Section M as an additional expenditure related to the protection and conservation of federally endangered Southern steelhead trout habitat.

PART 4: BENEFITS TO SANTA BARBARA COUNTY WILDLIFE

Please describe how this project would directly or indirectly benefit Santa Barbara County's wildlife.

The proposed project would allow SCHR to monitor wildlife in local watersheds, particularly at restoration sites to monitor long term effectiveness of our restoration work. Documenting restoration projects has proved to be a useful tool for presentations and showing interested landowners our projects. Additionally, in light of recent disasters which have altered the landscape, these cameras will provide a valuable tool in documenting landscape recovery.

PART 5: TIMELINE. For large, multi-year projects, the SBCF&GC may ask for this section to be filled out. For smaller yearly projects or where an item or items are being purchased one time or the project is one event, this section does not apply.

Please provide an outline of your project including the milestones and anticipated achievement dates.

Project Milestones Provide description of milestone Add additional lines if needed.	Date
Project Start Date:

Milestone:	
Anticipated Completion Date:	

PART 6: BUDGET

Please use the form below to list the summary of your budget and other funding sources. Attach a detailed list of items such as equipment, supplies, and other tangible items to be purchased. Receipts must be supplied for all expenditures. The Fish and Game Commission traditionally does not fund administration costs, such as labor, overhead and travel.

\$ Amount Requested from the Fish and Game Commission:	\$ 1,851.00
---	--------------------

Budget Breakdown:

Item Description	Per Unit Cost	Quantity	Total
1. Wingscapes TimelapseCam Pro	\$ 225.00	6.00	\$ 1,350.00
2. 32 GB Memory Card	\$ 20.00	6.00	\$ 120.00
3. Camera Straps (2 pack)	\$ 15.00	3.00	\$ 45.00
4. Batteries for two years (100 pack)	\$ 24.00	2.00	\$ 48.00
5. Mounting Hardware (6)	\$ 20.00	6.00	\$ 120.00
6. Administrative Overhead @ 10%	\$		\$ 168.00
Total			1,851.00

Please add additional lines as needed

Other Funding Sources

In-kind or Other Funding Sources:	
1. Staff labor to install at various location, funding from other grants incl.:	\$
2 CDFW, NFWF, USFWS, SB Foundation, etc.	\$
3.	\$
Total Cost of project	

Please add additional lines as needed

PART 7: QUALIFICATIONS (optional)

Please describe the personnel who will be working on this project and their background and pertinent qualifications. Name	Background/Qualifications
Mauricio Gomez	Director, South Coast Habitat Restoration. Gomez has been working in the field of watershed restoration for over 13 years partnering with many agencies and landowners in the region. Received a B.S. from UCSB.

Please add additional lines as needed

PART 8: PROJECT PARTNERS (optional)

The Commission strongly encourages prospective grantees to seek partnerships in completing projects. Please list any organizations, groups or agencies that have agreed to participate in your project. Give a brief description of each organization's role in your project. Include any monetary contribution to the project, if any. Please attach a letter of support from each organization. If this is not possible, please include a name and phone number of a person from each organization who can be contacted to verify participation.

Participating Organization	Role	Monetary Contributions	Letter of Support Attached	Name	Phone Number
1. NOAA	advisory role	\$ n/a	no	Stacie Smith	562-980-3265
2. CDFW	advisory role	\$ n/a	no	Mary Larson	562-342-7186
3.		\$			

Please add additional lines as needed

PART 10: MANDATORY REPORTING

A final report demonstrating how the objective of the grant was achieved is due 60 days from the completion of all projects. On longer term, more complex projects, once those projects are initiated, a progress report is required every 90 days until the project is completed unless the SBCF&GC decides due to the nature of the project, progress reports are not needed.

	Date	Actual Date Submitted (Do not write here)
Progress Report	12/17/18	
Progress Report	3/29/19	
Final Report to SBCFGC	5/1/19	

NOTE: Receipts for expenditures to date must be submitted with each progress report as applicable.

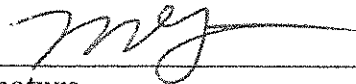

PART 12: AGREEMENT

If awarded funds from the Santa Barbara County Fish and Game Commission, I agree to:

- Complete the project as indicated and provide all reports and products as indicated in this application; including any amendments requested by the SBCFGC.
- Spend funds as outlined in this application and/or as voted upon by the SBCFGC. Any request to change how funds are spent must be approved by Santa Barbara County prior to the actual expenditure.

I understand that failure to do so may void this contract with the SBCFGC. Failure to provide such reports and products or use of funds other than voted upon, may result in the loss of granted funds and exclusion from future grant opportunities.
