Recommended Actions:

That the Board of Supervisors:

- a) Receive and file the Santa Barbara County Adopted Budget Schedules for Fiscal Year 2018-19;
- b) Receive and file the State Controller Final Budget Schedules for Fiscal Year 2018-19; and
- c) Determine that the above actions are not a project under the California Environmental Quality Act (CEQA) per CEQA Guidelines Section 15378(b)(5), because they are government fiscal activities which do not involve commitment to any specific project which may result in potentially significant physical impact on the environment.

Summary Text:

The attached documents report the County of Santa Barbara's adopted budget for fiscal year 2018-19. Although budget revisions will occur during the fiscal year, the budget as adopted by the Board of Supervisors and recorded beginning July 1, 2018 is reported in both documents. The format of the Santa Barbara County Adopted Budget Schedules is similar to the format of the County's Recommended Budget. The format of the Final Budget Schedules is prescribed by the State Controller.

The County's Adopted Budget Schedules show total adopted appropriations of \$1,564 million for fiscal year 2018-19, which is an increase of \$31 million from the total recommended appropriations printed in

the County's Recommended Budget. Reconciling schedules between the Recommended Budget and the Adopted Budget are provided in the Introduction of the Adopted Budget Schedules.

The State Controller Final Budget Schedules show total adopted financing uses of \$1,564 million for fiscal year 2018-19. There is a \$95 thousand variance between the adopted appropriations reported in the State Controller Final Budget Schedules and the total adopted appropriations in the County's Adopted Budget Schedules due to a difference in the presentation of the County's budgeted use of unassigned fund balance as required by the State Controller.

Background:

Santa Barbara County Adopted Budget Schedules - The County's Adopted Budget Schedules report the Adopted budget, as loaded into the County's financial system (FIN), for fiscal year 2018-19. The primary purpose of this document is to reflect and reconcile changes that occurred after printing of the Recommended Budget, including the changes that occurred during the June 2018 Budget Hearings.

State Controller's Final Budget Schedules - California Government Code Section 29093 requires that a copy of the County's adopted budget in the format prescribed by the State Controller be filed with the Office of the Clerk of the Board and the office of the State Controller no later than December 1 of each year. The County Budget Act, as presented in Government Code Sections 29005 and 30200, outlines the State Controller forms and schedules necessary for conformity among California counties. The Final Budget Schedules include the required State Controller schedules in the prescribed format.

Performance Measure:

The recommendation is primarily aligned with actions required by law or by routine business necessity.
