SANTA BARBARA COUNTY

FISCAL YEAR 2018-19 ADOPTED BUDGET SCHEDULES

Renewal and Resilience

ONE COUNTY. ONE FUTURE.

Front Cover

The vital role the County plays in delivering exceptional public service to improve the lives of the people and communities we serve became all the more clear in late 2017 with the Thomas Fire followed by the devastating 1/9/18 Debris Flow. We are living and working with a pre- and post-fire and debris flow frame of reference. Every aspect of your county government is committed to the recovery and rebuilding of our community. The path ahead will be challenging, but together we will work through it.

Despite these challenges, Santa Barbara County continues to build a better government that strives to be responsive and accountable. In 2017, we embarked on Renew '22, a multi-year program to re-vision and transform Santa Barbara County government by the year 2022. We are examining our processes and procedures to improve methods of delivering quality services, and redesign how we do our work over the next five years. We will be here today, next week, next year and beyond to do whatever it takes to make our community stronger and more resilient than it has ever been. We are one county, with one future. We are 805 strong.

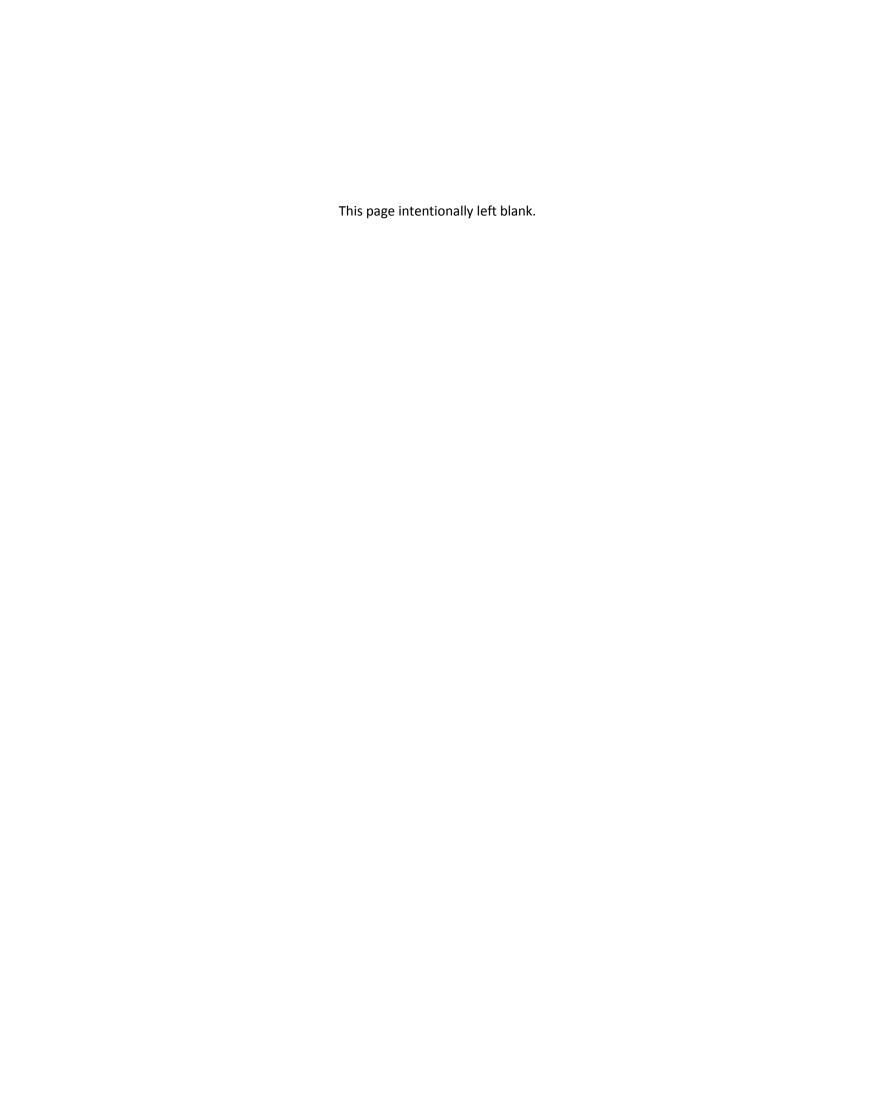

Cover photo: The 805 strong hashtag was used in social media to unite communities in Ventura and Santa Barbara County impacted by the Thomas Fire. Following the 1/9 Debris Flow, Santa Barbara County distributed 18,000 free 805strong wristbands as a symbol of strength, togetherness, hope and resilience.

OFFICE OF THE AUDITOR-CONTROLLER

INTRODUCTION

July 1, 2018

To the County Board of Supervisors and the Citizens of Santa Barbara County:

The Adopted Budget Schedules for Fiscal Year 2018-19 of the County of Santa Barbara (County), is hereby submitted as part of the compliance effort with the County Budget Act. The County is legally required to adopt an annual budget and adhere to the provisions of the California Government Code (Sections 29000 – 29144 and 30200), commonly known as the County Budget Act.

Budgets are adopted for the General, special revenue, debt service, and capital projects funds that are considered governmental funds. Budgets are also adopted for internal service funds and enterprise funds that are considered proprietary funds. Budgets are prepared consistent with Generally Accepted Accounting Principles (GAAP).

The Board of Supervisors (Board) annually conducts budget hearings for the discussion of a Recommended budget in the month of June. At the conclusion of the hearing, generally prior to June 30, the Board adopts the final budget, including revisions, by resolution. The Board also adopts subsequent revisions that occur throughout the year. All annual unspent appropriations lapse at year-end.

The final budget document, by Statute, must be prepared in a format required by the State Controller (SCO) for conformity with Statewide reporting practices; and the County will continue to complete and submit that separate document to the State Controller by December 1.

The Recommended budget document preparation starts early in the year with Strategic Planning, Capital Planning, Five-Year forecasting, setting of Budget principles, and setting initial allocation targets for General Fund contributions to departments. The Recommended budget document is scheduled for completion in early May. After completion of the Recommended budget document, it is not unusual that supplemental appropriation requests are proposed for the final budget hearings. The State budget process frequently influences these changes, along with program expansion or program restoration requests proposed by departments. In addition, since the County budget is adopted prior to year-end, the County by resolution authorizes the Auditor-Controller to adjust the budget document for the final actual year-end fund balances.

MANAGEMENT DISCUSSION AND ANALYSIS

The following management discussion and analysis is intended to briefly describe the approved final budget revisions from the FY 2018-19 Recommended Budget to the FY 2018-19 Adopted Budget. The Final Budget Expansions and Adjustments Summaries on pages 53-59 provide the detail for each approved revision.

| Refer to pages 1-50 for Department detail | | | | | | |

There are three types of adjustments (columns B, C & D in the above tables) that convert the Recommended amounts into the Adopted amounts. These adjustments totaled \$31.2 million and include:

1. Pre-Hearing adjustments (\$10.9 million) – prior to the start of budget hearings, certain administrative adjustments were made to the Recommended budget amounts, but were not able to be part of the Recommended book due to print-timing constraints. However, these adjustments were detailed as an attachment to the budget hearing materials provided to the Board of Supervisors. These adjustments are

identified with an 'A-2' in the description in the Final Budget Expansion and Adjustment summaries on pages 53-59.

- 2. Hearing adjustments (\$12.7 million) during the Budget Hearings, several adjustments were made amending the original Recommended budget. These adjustments are identified with an 'E' in the description in the Final Budget Expansion and Adjustment summaries on pages 53-59.
- 3. Close-out adjustments (\$7.7 million) when the FY 2018-19 Recommended budget was being prepared, General Fund departments estimated a fund balance amount to either be released or increased in order to balance their budgets. However, when the fiscal year ended, the actual fund balance was different than what was estimated during the budget preparation process. This difference between what was budgeted and actual requires an adjustment so that Adopted budget amounts can remain balanced as they were in the Recommended budget. The final close-out adjustment for the General fund was \$7.7 million.

Staffing Adjustments

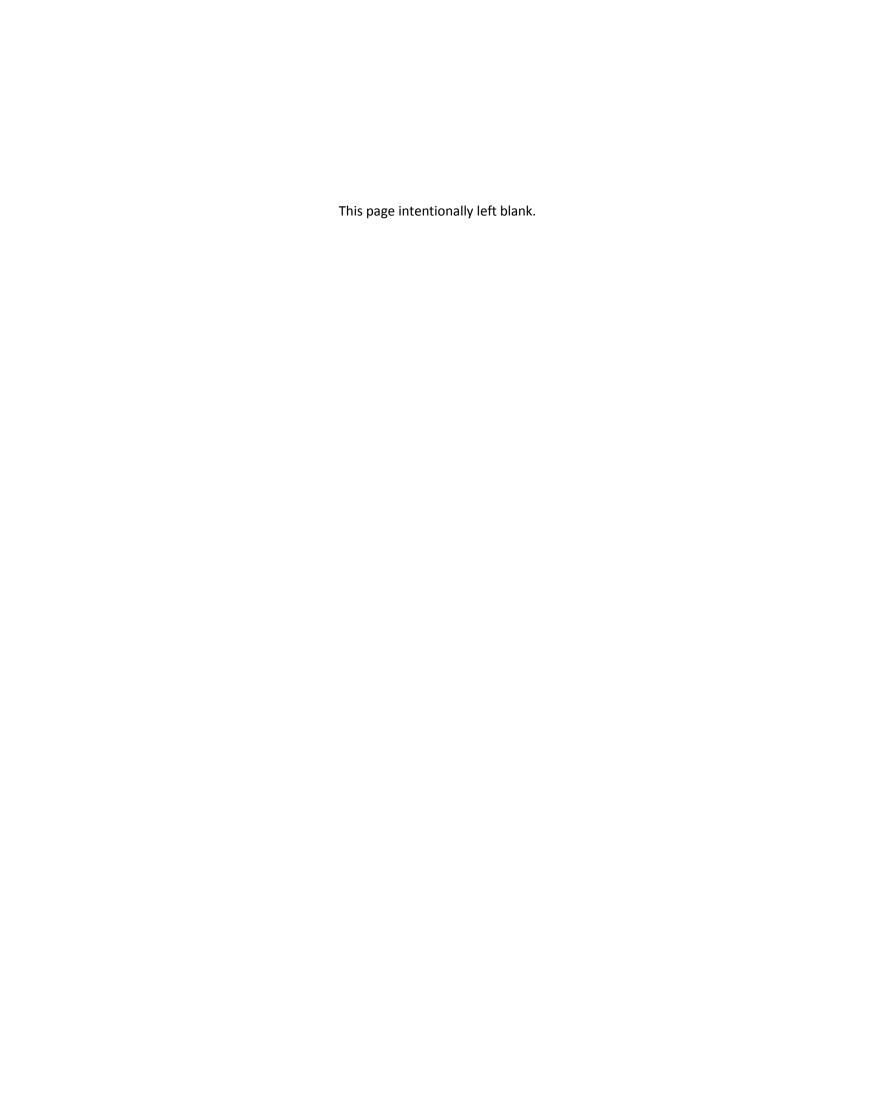

FY 2018-19 Adopted countywide full-time equivalents (FTEs) are 4,170.19, up by 3.46, from the Recommended budget of 4,166.73. The District Attorney's FTEs increased by 1, Probation's FTEs increased by 1, Behavioral Wellness' FTEs increased by 3, Community Services' FTEs increased by 2.46, the Sheriff's FTEs decreased by 3, and General County Programs' FTEs decreased by 1 from the Recommended budget to the Adopted budget.

Sincerely,

Theodore A. Fallati, CPA
