

BUDGET & FULL-TIME EQUIVALENTS SUMMARY & BUDGET PROGRAMS CHART

MISSION STATEMENT

To manage the remaining enforceable obligations of the former County of Santa Barbara Redevelopment Agency.

AGENCY DESCRIPTION

The Successor Agency operates subject to review by a legislatively formed Countywide Oversight Board comprised of a member of the public and representatives of the local agencies that represent other taxing entities in the redevelopment project area: the County, the cities, special districts, K-12 school districts, and community colleges. The Countywide Oversight Board has authority over the financial affairs, as well as supervises the operations and the timely dissolution of the former Redevelopment Agency (RDA) for Isla Vista projects. The Successor Agency is tasked with making payments and meeting the recognized obligations of the former RDA. It is also responsible for maintaining necessary bond reserves and disposing of excess property. Under the direction of the Oversight Board, the excess balances of the agency beyond what is needed to meet recognized obligations are to be remitted to affected taxing entities.

The Successor Agency to the former County of Santa Barbara Redevelopment Agency is managed by the County Executive Office, in conjunction with the Auditor-Controller's Office for finance and County Counsel for legal services. Departmental administrative costs are reimbursed plus overhead via interfund billing to the Successor Agency.
