B. Extended Term. The terms of this Agreement may be extended for one period of (2) years, if the Sheriff and City Manager determine to so extend the term and written notice of such renewal is given to the other party at least six (6) months prior to expiration. The extended term shall be referred to as the Extended Term of the 2019-20 Agreement.

C. Appropriations Limitation. CITY and COUNTY each acknowledge that annual budgetary appropriations in future years for payment and services hereunder are subject to the approval of their respective legislative bodies.

5. **STANDARD OF PERFORMANCE.** COUNTY represents that it has the skills and expertise necessary to perform law enforcement services required under this Agreement, as described in **Exhibits A through A-2 and E.**

8. **OWNERSHIP OF EQUIPMENT.** COUNTY shall be the owner of all items incidental to the performance of this Agreement. Equipment or supplies purchased by CITY to aid in the performance of law enforcement services shall remain the property of CITY. No transfer of ownership of equipment from COUNTY to CITY shall occur as a result of this Agreement. It is understood that COUNTY shall provide all equipment and supplies necessary to the performance of this Agreement and that any CITY-owned equipment and supplies are provided voluntarily. CITY and COUNTY shall have no obligation to maintain or replace any CITY-owned equipment and supplies. Upon termination of the Agreement or applicable menu items within the agreement, an equipment or supplies purchased by the CITY for COUNTY may, at CITY sole discretion, revert to CITY ownership.

9. **INDEPENDENT CONTRACTOR.** It is expressly understood between the parties to this Agreement that no employer/employee relationship is intended; the relationship of COUNTY to CITY being that of an independent contractor and CITY and COUNTY retain sole and independent liability for the actions of the employees of each.

10. **NONDISCRIMINATION.** COUNTY hereby notifies CITY that COUNTY'S Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and CITY agrees to comply with said ordinance.

11. **NONEXCLUSIVE AGREEMENT.** CITY understands that this is not an exclusive Agreement and that COUNTY shall have the right to negotiate with and enter into contracts with other Santa Barbara County cities and/or other entities to provide the same or similar services.

12. **ASSIGNMENT.** Neither party shall assign any of its rights nor transfer any of its obligations under this Agreement without the prior written consent of the other party and any attempt to so assign or so transfer without such consent shall be void and without legal effect and shall constitute grounds for termination of this Agreement.

13. **TERMINATION.**

A. **By COUNTY**

1. Termination for Convenience. COUNTY may terminate this Agreement upon Three Hundred Sixty Five (365) days' written notice. Upon the date of termination, COUNTY shall cease work and notify CITY as to the status of its performance.

Notwithstanding any other payment provision of this Agreement, CITY shall pay COUNTY for service performed to the date of termination, including any prorated amount of compensation due hereunder less payments, if any, previously made.

14. **SECTION HEADINGS.** The headings of the several sections, and any table of contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

15. **SEVERABILITY.** If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

16. **REMEDIES NOT EXCLUSIVE.** No remedy herein conferred upon or reserved to the parties is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

17. **TIME IS OF THE ESSENCE.** Time is of the essence in this Agreement and each covenant and term is a condition herein.

18. **NO WAIVER OF DEFAULT.** No delay or omission of by either party to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be

construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to each party shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of the exercising party.

19. **ENTIRE AGREEMENT AND AMENDMENT.** In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives its future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver, or estoppel.

20. **SUCCESSORS AND ASSIGNS.** All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

21. **COMPLIANCE WITH LAW.** Both parties shall, at their sole cost and expense, comply with all applicable City, County, State and Federal ordinances and statutes now in force or which may hereafter be in force with regard to this Agreement.

22. **CALIFORNIA LAW.** This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court; or in the federal district court nearest to Santa Barbara County, if in federal court.

23. **EXECUTION OF COUNTERPARTS.** This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.

24. **AUTHORITY.** The parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and that all formal requirements necessary or required by any state and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, COUNTY and CITY hereby warrant that each shall not have breached the terms or conditions of any other contract or agreement to which COUNTY or CITY is obligated, which breach would have a material effect hereon.

25. **PRECEDENCE.** In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the Exhibits shall prevail over those in the numbered sections. In the event of conflict between the provisions contained in the numbered sections of this Agreement, Exhibits and subsequent contract Amendments, the most current contract Amendment shall prevail over the provisions, Exhibits and/or prior Amendments.

26. **DISPUTE RESOLUTION PROCESS.** Before commencing any legal proceeding in any court of law, any controversy, arising out of or relating to this Agreement, its enforcement, or interpretation, including claims of an alleged breach (but excluding a dispute regarding the level of service subject to procedure set forth in Paragraph 2.B. of Exhibit A) shall be first submitted to non-binding mediation. Written notice stating the basis of the dispute, including the amount disputed, if any, shall be provided to the other party within thirty (30) days of the event giving rise to the dispute. During the next thirty (30) days following

receipt of notice, the parties shall engage in good faith efforts to resolve the dispute through the appropriate internal hierarchy of each agency. If the dispute remains unresolved, the matter shall be referred to a neutral mediator agreed to by both parties. If the parties cannot agree on a mediator, the mediator shall be appointed pursuant to the Commercial Arbitration Rules of the American Arbitration Association, unless the parties mutually agree to choose the mediator in another manner. The mediator shall hear presentations and documentary evidence from the parties. The rules of evidence shall not apply to the mediation. At the conclusion of the mediation, the mediator shall render a written decision. Any costs of retaining the services of the mediator shall be shared equally by the COUNTY and CITY. The parties intend that the dispute resolution procedures provided for hereunder shall be conducted in as expeditious a manner as possible.

27. **AGREEMENT NOT CONSTRUED AGAINST DRAFTER.** This Agreement has been negotiated and prepared by the parties and their respective counsel, and should any provision of this Agreement require judicial interpretation, the court interpreting or construing the provision shall not apply a rule of construction that a document is to be construed against one party.

Exhibit A: Statement of Work

The purpose of Exhibit A is to describe and define the type and level of work to be performed.

1. Delivery of Services.

COUNTY, through its Sheriff's Office, shall deliver general law enforcement services within the incorporated limits of the City of Buellton according to the terms and conditions set forth herein. It is the goal of the Sheriff's Office to provide a high level of professional excellence; respond to calls for service promptly; protect lives and property to the best of its ability; practice community oriented policing and conduct itself in a manner that promotes trust and legitimacy and is participatory in community matters and events; initiate programs that prevent and deter crime or improve the quality of life; stay abreast of modern policing methods and technology; and apprehend criminal offenders.

2. General Law Enforcement Services.

A. COUNTY agrees to provide general law enforcement services for CITY, which include 24/7 police patrol; criminal investigation/detectives; technical services; direct support and administrative functions; emergency Dispatch; general traffic enforcement, accident investigation, and parking control; all services included within a Deputy Sheriff Service Unit, as defined in Exhibit A-1; and all Specialized Law Enforcement Functions, as defined in Paragraph 2.C.

1. Labor and Materials. COUNTY shall supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to perform all duties and functions to maintain the level of service to be rendered hereunder. Notwithstanding anything contained herein, in all instances where special supplies, stationery, notices, forms and the like must be issued in the name of CITY, the same shall be supplied by CITY at CITY'S cost and expense.

2. Marked Vehicles. The Sheriff's Office may authorize defined areas of patrol vehicles to display CITY insignia indicating they are CITY police vehicles. If CITY elects to display approved CITY insignia the cost of such insignia will be at CITY expense.

3. Prosecution of Offenses. CITY and COUNTY shall continue their existing practice regarding the prosecution of offenses, with CITY responsible for the prosecution of infractions and City Ordinances, and COUNTY, through the District Attorney's Office, responsible for the prosecution of all other offenses. There shall be no cost effect on the parties under this Section.

4. Custody and Coroner Functions. It is generally understood by both parties at this writing that current law requires conventional custody and coroner functions be provided at the COUNTY'S obligation and expense throughout the County of

Santa Barbara regardless of incorporated or unincorporated boundaries. CITY, therefore, will not be invoiced for custody or coroner services. This item is also addressed in Exhibit B, Paragraph 1(B).

B. Level of Service.

1. Level of Service Recommendation. The level of service, workplace and/or geographic boundaries for general law enforcement services to CITY will be recommended by COUNTY by November 1 of each year with service level adjustments occurring July 1 of the following year. The level of service refers to the sum of Deputy Sheriff Service Units (as defined in Exhibit A-1) ordered, supervision, contract management, support functions, equipment, capital structures, major assets, services, supplies, and other incidental costs attributable to the provision of general law enforcement services within the then current geographic boundaries of CITY. In consultation with COUNTY, CITY may enhance the level of law enforcement services as defined under Paragraph 3, "Supplemental Law Enforcement Services."

2. Level of Service Adjustment.

a. Adjustment Recommendation by COUNTY. If COUNTY proposes to raise the level of service above the level of service provided in the prior year, COUNTY shall provide CITY, along with its recommendation, data supporting its determination that a higher level of service is necessary to protect public and officer safety along with its recommendation. If requested by CITY, COUNTY will discuss alternative service options.

b. Adjustment Request by CITY. If CITY wishes to reduce the level of service below the level of service provided in the prior year, CITY shall make a written request to COUNTY within 30 days of the date it receives COUNTY'S level of service recommendation. CITY shall provide information supporting its request for a reduction in service level.

c. Consideration of Adjustment. The parties agree to work in good faith to review and consider the adjustment recommendation or request, including providing any supporting information or data that either party may request to support the recommendation or request.

3. Level of Service Review. If the parties do not come to agreement on an adjustment recommendation or request through the process set forth in Paragraph B.2., CITY may request review from the Undersheriff. The Undersheriff shall engage in a face-to-face meeting with the CITY to review the recommendation or request and shall consider the CITY'S position in good faith. The parties shall make all reasonable efforts to complete this process by April 15 of any year in which the process is utilized.

4. Minimum Level of Service. COUNTY is under no obligation to allow a minimum level of service that jeopardizes public or officer safety. If the level of service review, as set forth in Paragraph 2.B.3., is completed and the parties do not come to an agreement regarding the required level of service, the parties agree that the Sheriff shall have final authority to determine minimum level of service for this Agreement.

5. Amendment. If the foregoing process results in an increase or decrease to levels of service, the parties shall prepare and execute a written amendment to this Agreement as to the terms and conditions of the increase or decrease; all other terms set forth in this Agreement shall continue in full force and effect.

C. Specialized Law Enforcement Functions. Specialized law enforcement functions, such as: K-9; Mounted Unit Patrol; Search & Rescue; Hostage Negotiations; Special Enforcement (SWAT) Team; Dive Team, Hazardous Devices Team, Professional Standards Investigations, Reserve Forces; Fugitive/Warrant Detail; and/or Helicopter/fixed wing patrol are included in the cost of a Deputy Service Unit, described in Exhibit A-1, and may also be provided within the City Limits as needed and when deemed appropriate by COUNTY. CITY will not be invoiced separately for these services unless the service is requested by CITY as described in Section 3.

D. Grant Administration. The Administrative function will also include the ability and authority for COUNTY to apply, administer and implement grant opportunities for the benefit of CITY with the expressed written permission of the Designated Representative of CITY.

E. Service Limitations of COUNTY. All references to General Law Enforcement Services contained in this Agreement are references only to services that shall be delivered under the terms of this Agreement.

3. **Supplemental Law Enforcement Services.**

A. Additional Level(s) of Service.

1. Definition. Additional Level(s) of Service refers to supplemental or specialized law enforcement services not included in, "General Law Enforcement Services," as defined in Section 2, above. CITY may request an additional level of service such as, but not limited to: dedicated traffic enforcement, Community or School Resource Officers, dedicated specialty units (k-9, gang enforcement, etc.) or grant programs that are within the legal authority of COUNTY to provide. Another example is the application, administration and implementation of a supplemental grant program. Other supplemental law enforcement services are set forth in Exhibit A-1. CITY may request this additional level of service in writing to COUNTY'S Station Lieutenant. COUNTY will consider CITY'S requests and, at its option, implement these requests with any additional, actual expense invoiced to CITY.

2. Grant Programs. If the additional level of service is tied to a grant program, CITY will be invoiced for actual, additional costs above the grant award for the applicable time period unless COUNTY and CITY agree otherwise. This assumes that any grant funds are received directly by COUNTY. CITY may request and COUNTY may provide cost estimates prior to the implementation of a grant and/or program. CITY understands that actual, additional costs may vary slightly (high or low) from original estimates. Any supplemental, material expenses related to ongoing programs will be recommended by COUNTY to CITY in advance of purchase. CITY understands and accepts that if a supplemental item related to an ongoing program is not approved by CITY, COUNTY may exercise the option to refrain from further work on the grant or program. COUNTY will apply Departmental and/or County overhead to a grant cost when the provisions of the grant allow for the accounting of overhead expense. CITY understands and accepts that the net cost of grant overhead may become an expense to CITY when other provisions are not agreed upon in writing by both parties in advance of the implementation of the grant. CITY understands and accepts any ongoing fiscal, staffing, and/or programmatic obligations incurred in the acceptance of a grant. An example of such an obligation may include a grant requirement to retain a staffing position for a time period beyond the original grant award period.

B. One-time or Periodic Law Enforcement Services.

1. Definition. One-time or Periodic Law Enforcement Services refers to the provision of periodic or one-time enhancements to the level of general law enforcement services provided, such as, but not limited to: additional security for special events and seasonal staffing. These planned and/or unplanned events usually require additional, short-term law enforcement services. For planned events, upon written request of CITY to COUNTY, COUNTY will review and recommend the appropriate level of service for the event or occurrence and provide CITY with services within the available staffing and legal authority of COUNTY. In the instance of an unplanned event or emergency requiring law enforcement services in order to maintain public safety, COUNTY will immediately respond with an additional level of law enforcement service as determined by COUNTY in accordance with existing mutual aid agreements.

2. City Cost. CITY will be invoiced for actual, additional costs of any and all one time or periodic law enforcement services unless there exists no actual, additional cost (process described in Paragraph 3(B)(4) herein). CITY may request a written cost estimate in advance of a planned event and CITY understands and accepts that actual, additional costs of the event may vary (high or low) from the estimate.

3. Request Process for Planned Events. The request for additional law enforcement services for planned events shall be memorialized in writing, printed or electronic, between the two parties through their respective Designated

Representatives. The writing will describe the nature of the event, specific dates, times and addresses and may include a suggested level of service. The CITY will provide COUNTY with as much advance notice as is possible and practical prior to the event, for COUNTY scheduling purposes.

4. Provision of One-time or Periodic Services. COUNTY shall grant such requests if and when it is capable of doing so. This will first be accomplished using existing staff during regularly scheduled work hours if/when the provision of such services would not unreasonably interfere with the Sheriff's provision of general law enforcement services to the unincorporated portion of the County. If the request can be accomplished within the regularly scheduled hours that are already included within this Agreement, there may be no actual, additional expense incurred by CITY. The second staffing priority will be the use of additional personnel through overtime scheduling of the Sheriff's Office staff. The third staffing priority will be provided by means of COUNTY'S request of additional personnel from a neighboring law enforcement agency. COUNTY shall provide notice to CITY prior to providing service under the second or third staffing priority, when feasible. Any additional personnel and/or equipment used in the provision of supplemental law enforcement services will be invoiced above the base agreement amount in a manner described in Exhibit B. The priorities set forth herein are designed to keep CITY'S costs to a minimum and are consistent with current practice.

4. **Personnel Management.**

A. Hiring, Training and Discipline of Staff. The hiring, training, discipline and/or control of all Sheriff's Office personnel employed under this Agreement shall remain under the appropriate chain-of-command within COUNTY Sheriff's Office. All persons employed in the performance of services and functions for CITY pursuant to this Agreement shall be COUNTY employees.

B. Exclusive Authority. Subject to the terms of this Agreement, the Sheriff shall retain exclusive authority over the activities of his/her personnel. The planning, organization, scheduling, direction, supervision, standards of performance and discipline of Sheriff's personnel, and all other related matters incidental to the delivery of General Law Enforcement Services to CITY shall be as determined by the Sheriff. Nothing herein shall be deemed to limit the Sheriff's authority to move, transfer and/or discipline Sheriff's Office personnel as Sheriff in his/her discretion deems appropriate.

C. City Personnel Consultations and Recommendations. CITY may request to be consulted on the selection or replacement of the station Lieutenant, who will represent the Sheriff as Chief of Police, and any personnel for any position related to supplemental law enforcement services of a specialized nature that the CITY has requested. CITY may request review or transfer of Sheriff's personnel as a consequence of services and functions performed under this Agreement, and such request shall be considered in good faith by Sheriff in determining the appropriate course of action, if any. CITY may make these requests through the Station Lieutenant.

D. Employee Pay Issues. CITY shall not assume any liability for the direct payment of any salaries, wages or other compensation to any COUNTY personnel performing services hereunder for CITY, including liability for workers' compensation claims or injury or illness arising out of COUNTY personnel's performance of this Agreement (aside from costs included within the Deputy Sheriff Service Unit as defined in Exhibit A-1). Except as otherwise provided herein, no person employed by COUNTY hereunder shall have any rights to pension, civil service, or other status or right from CITY by virtue of this Agreement; and no CITY employee shall have any rights to pension, civil service or other status or right from COUNTY by virtue of this Agreement.

E. Orientation. Personnel assigned to CITY pursuant to the terms of this Agreement shall receive appropriate orientation regarding the special characteristics and needs of CITY. Training shall include familiarization with CITY municipal codes, key CITY staff and CITY departments that will interact with Sheriff personnel.

5. **Enforcement of Laws.**

Sheriff shall enforce the statutes of the State of California and the municipal police ordinances of CITY. When requested, Sheriff will assist in the enforcement of CITY Code provisions in cooperation with CITY'S staff and Code Enforcement personnel.

6. **Mutual Cooperation.**

To facilitate the delivery of services under this Agreement, COUNTY shall have full cooperation and assistance from CITY, its officers, agents and employees and CITY shall have full cooperation and assistance from COUNTY, its officers, agents and employees.

7. **Maintenance of Records.**

COUNTY shall keep reasonably itemized and detailed records and reports as required by law, grants and/or generally accepted accounting principles on behalf of CITY. CITY records shall be maintained by COUNTY pursuant to COUNTY practice and as required by law, and shall be available to CITY for inspection after reasonable prior notice to COUNTY. CITY understands and accepts that various records may be destroyed after specific time periods have passed and thus unavailable for inspection.

8. **Monthly and Annual Reports.**

Within Fifteen (15) working days after the end of each calendar month, COUNTY via the Sheriff's Law Enforcement Contract Services Bureau, shall provide CITY a monthly report of law enforcement service statistics as set forth in Exhibit A-2 hereto. These monthly reports will also be summarized in a quarterly report. COUNTY further shall provide CITY an annual report if/when applicable. COUNTY and CITY may work together to modify the format and content of the report as needed and when practical.

Exhibit A-1: Deputy Sheriff Service Unit

Sheriff's services are generally provided in the form of Deputy Sheriff Service Units (DSSU). One DSSU is equivalent to the sworn and support personnel required to staff one patrol position 24 hours a day for 1 year.

One Deputy Sheriff Service Unit equates to:

A sufficient number of Sheriff Deputies to provide for 24-hour coverage, seven days a week for one year, including relief (lost time). This equates to 8,760 hours of service to CITY a year per DSSU ordered. If for any reason the Sheriff falls below 98% compliance in providing this level of service, CITY will not be charged for the shortage. CITY will also be entitled to an explanation for the shortage of service and a proposed resolution.

If CITY compliance rate goes above 112% for each of three consecutive months, CITY and COUNTY will meet and confer. If, subsequent to the meet and confer, the compliance rate remains above 112% for any additional consecutive calendar months but below the threshold for an additional Deputy Sheriff Service Unit, CITY will pay the percentage above 112%, at the Deputy Sheriff Service Unit rate for those consecutive calendar months. If and when CITY compliance rate falls below 112% for a calendar month, CITY will no longer pay the percentage above 112% at the Deputy Sheriff Service Unit rate unless and until the compliance rate once again remains above 112% for each of three consecutive calendar months and CITY and COUNTY meet and confer. This will apply to the current Agreement and any extension to the current Agreement.

Since timekeeping is a critical component of a DSSU, COUNTY is committed to ensuring that COUNTY is appropriately tracking time. COUNTY agrees that it will provide training and updates to its sworn and support personnel and will also audit the timekeeping system periodically. CITY will be provided with monthly reports to demonstrate time compliance reporting as described in Exhibit A-2.

Additionally, all management, supervision, investigative support, administrative support, overtime and supply costs are included. This ensures that there are no unexpected cost increases to the CITY for the annual duration of the contract. The costs for all services and supplies, relief (lost time) factors, overtime, labor, and insurance costs will be calculated each year based on prior year actual costs and provided to CITY prior to the end of the current fiscal year.

Exhibit B: Payment Methodology

1. General Compensation.

A. Reimbursable Expenses. Subject to the terms of this Agreement, CITY shall pay to COUNTY the costs incurred by COUNTY in providing the services contracted for or otherwise authorized under the terms of this Agreement, including:

- Salaries and benefits of all COUNTY officers and employees engaged therein for positions defined in Exhibit A-1: Deputy Sheriff Unit;
- Direct supervision;
- Clerical support;
- Contract Law Enforcement Services Unit;
- Direct services and supplies;
- Department-applied overhead;
(a percent applied to salaries and benefits expenses only);
- A proportionate share of Law Enforcement Dispatch and Records;
- Management services;
- Any actual, additional costs associated with supplemental law enforcement services (as described in Exhibit A, Paragraph 3); and,
- Any other mutually agreed upon expense that arises during the term of the AGREEMENT. Examples include CITY'S request to participate in a COUNTY bid process, or sharing a purchasing contract for the purpose of quantity discount to the benefit of both parties.

B. COUNTY Obligations. CITY will not be billed for general overhead costs of operation of the County government until or unless authorized by applicable provisions of the then-current Government Code. COUNTY shall not charge CITY for any service or function performed by the COUNTY attributable to services made available to all portions of the County, such as Custody or Coroner services, as referenced in Exhibit A (2)(B).

2. Annual Recomputation of Compensation

A. Recomputation of General Law Enforcement Services. Except as otherwise specified hereinafter, the total amount charged for General Law Enforcement Services, as defined in Exhibit A, Paragraph 2, shall be recomputed annually with an estimate provided by COUNTY on or before November 1st of each calendar year for the following fiscal year, with the fiscal year defined as July 1st through June 30th. A final recomputation will be provided by COUNTY for the fiscal year beginning July 1st on or before January 15th of the same year. The recomputation calculation shall be determined by COUNTY based on actual costs of providing General Law Enforcement Services described in Exhibit A, Paragraph 2, from the previous fiscal year. The recomputation formula will specifically include actual

costs for items specified in Exhibit B, Paragraph 1. The total agreement amount for the applicable fiscal year will be effective July 1st of that fiscal year, subject to review by CITY as provided in Exhibit A, Paragraph 4, above. Staff representatives of COUNTY and CITY are advised to meet during the calculation process and prior to any formal presentation before their respective governing bodies. In the event cost increases will have a detrimental impact to the CITY'S budget, Sheriff will meet with CITY, upon its request, and discuss staffing adjustments to mitigate costs, provided service levels do not drop below safe levels as described in Exhibit A, section 2(B)(1).

1. The annual cost computation will be provided to CITY as Exhibit E-1 and will be referred to as First (1st) Annual Cost Computation, Second Annual Cost Computation if this Agreement is extended, and Third (3rd) Annual Cost Computation if this Agreement is further extended.

B. Increases to Service Level Requested by City. In the event that CITY desires to increase the then-existing type or level of staffing provided under the terms of this Agreement - in addition to other procedures set forth in this Agreement - CITY will make a written request to COUNTY in December of each year for changes to be applied to the succeeding fiscal year. CITY'S request shall detail the specific type and level of staffing CITY desires, with CITY acknowledging that the costs of such services may impact the total, negotiated agreement for the relevant fiscal year. COUNTY shall review said annual request within thirty (30) days of COUNTY'S receipt thereof and acknowledge acceptance or rejection by letter to CITY'S Designated Representative. Upon notice from COUNTY of acceptance or partial acceptance of said request, and the cost of providing the type or level of staffing therein agreed upon, the parties shall prepare and execute a written amendment to this Agreement as to the terms and conditions set forth in said annual request and acceptance; all other terms set forth in this Agreement shall continue in full force and effect. In the event COUNTY rejects all or any portion of said annual request, the then-existing type and level of staffing shall remain in full force and effect, as modified by the acceptable portions of said annual request, until such time that the parties reach agreement as to the rejected portions of said annual request. An increase in level of service recommended by COUNTY, or decrease requested by CITY, is subject to the procedures set forth in Paragraph 2 of Exhibit A and not this Paragraph.

C. Payment Process. The total estimated cost for the applicable fiscal year will be divided by twelve (12) months and invoiced monthly to CITY for full payment on or before the 25th of the applicable month in which services are rendered. For example, law enforcement services provided in the month of July are due July 25th. The purpose of this specific due date is to match earned obligations with earned receipts in the same accounting period, which benefits both parties administratively. CITY'S payment shall be made by check or electronic transfer. A check shall be made payable to the order of, "Santa Barbara County Sheriff's Office" and mailed to the COUNTY address specified in Paragraph 1, Designated Representative, unless otherwise directed in writing by COUNTY. If such payment is not delivered to the COUNTY office within thirty days of the respective due date, COUNTY is entitled to recover interest thereon. Said interest

shall be assessed using the COUNTY'S pooled interest rate in effect at the time; it shall commence thirty (30) days after the date of the invoice and continue until such time as the payment is delivered to the COUNTY office described on said invoice.

D. Revised Exhibit E. A revised Exhibit "E", (to be called Exhibit E-1, E-2, etc., and dated with the effective date of said Exhibit) shall be provided by COUNTY to CITY showing rate adjustments and the consequent adjustment in monthly compensation due COUNTY whenever there is any recomputation of compensation due COUNTY. Any such revised Exhibit E shall constitute an amendment to this Agreement upon signature by the City Manager, or his designee, and the Sheriff on behalf of the COUNTY. The format of Exhibit E may be revised from time-to-time according to current accounting practices, service changes, CITY-requested changes in format or other unforeseen circumstances at the time of this Agreement.

E. Future Annexation. In the event that CITY annexes any new area near the incorporated City limits, COUNTY will continue or begin to provide law enforcement services to that annexed area under the terms of this Agreement. Additionally, within thirty (30) days of applicable annexation, the compensation due to COUNTY by CITY will be adjusted to serve the newly-annexed area(s).

3. **Additional Law Enforcement Services.**

A. Annual Agreement. CITY costs for One-time or Periodic Law Enforcement Services, as defined in Exhibit A, Paragraph 3, will not be included in the total Agreement amount.

B. Estimates. CITY may request an estimated cost from COUNTY as described in paragraph 2(A) for budget preparation and planning purposes for the fiscal year or in advance of a planned event. CITY understands and accepts that such an estimate in no way represents any minimum or maximum charge to CITY.

C. Cost Tracking & Invoicing. The actual, costs related to providing additional or special law enforcement services will be tracked through the COUNTY'S Financial System (currently referred to as "FIN") and reviewed prior to preparing a summary invoice. COUNTY will send an invoice to CITY within 90 days of the conclusion of the work performed. A detailed listing of these charges will be kept on file at the COUNTY office and made available to CITY upon written request. These records will be maintained for a period of one year after the date of the original invoice.

D. Payment Process. CITY payment for Additional or Supplemental Law Enforcement Services is due to the COUNTY within thirty (30) days of the date of the invoice. Payment will be made payable to: "Santa Barbara County Sheriff" and mailed to: Santa Barbara County Sheriff Dept., Attention: Business Office, P.O. Box 6427, Santa Barbara, CA 93160-6427. If such payment is not delivered to the COUNTY office within thirty days after the date of the invoice, COUNTY is entitled to recover interest thereon. Said interest shall be assessed using the COUNTY'S pooled interest rate in effect at the

time; it shall commence thirty (30) days after the date of the invoice and continue until such time as the payment is delivered to the COUNTY office described on said invoice.

4. **Miscellaneous**

A. **Booking Fees.** CITY will not be responsible for the payment of booking fees to COUNTY.

B. **Third Party Reimbursements.** CITY may seek direct reimbursement of Supplemental Law Enforcement Services from a third party when applicable. An example of an applicable situation occurs when CITY collects a fee or deposit from a film crew, pays COUNTY for services provided, and then charges the film crew for the expense from the deposit.

C. **Facilities.** COUNTY makes no guarantees regarding the negotiation of gratis "Store Front" facilities within the City for law enforcement use.

D. **Capital Improvements.** COUNTY makes no guarantees regarding law enforcement-related capital improvements within the City.

E. **Other Law Enforcement Agencies.** COUNTY makes no guarantees regarding the ability to negotiate services from other law enforcement agencies on behalf of CITY.

Exhibit C: Cost Model

The cost model determines the cost of a Deputy Sheriff Service Unit based on the actual hourly cost of a Sheriff Deputy, which includes both direct and indirect costs of providing one hour of law enforcement services. This actual hourly cost is then multiplied by 8,760 hours in order to equate to the annual cost of one Deputy Sheriff Service Unit, as described in Exhibit A-1. The annual cost of one Deputy Service Unit is then multiplied by the quantity of Deputy Sheriff Service Units purchased by CITY to determine the total annual cost for general law enforcement services to be included in the total contract amount for the applicable fiscal year. The direct and indirect costs of providing one hour of law enforcement services are determined as follows:

1. Direct cost of a Sheriff Deputy. This is the average actual hourly cost of salary and benefits paid to the Sheriff Deputy employee classification for law enforcement services. The direct cost of a Sheriff Deputy excludes all costs of Sheriff functions which are made available to all portions of the County, such as custody and coroner, as well as all law enforcement programs and projects that are reimbursable from other sources.

2. Direct cost of support to a Sheriff Deputy. This is the average actual hourly cost of salary and benefits paid to the employee classifications that provide direct support to a Sheriff Deputy for one hour of work. This includes the chain of command supervising and managing a Sheriff Deputy (Sergeants, Lieutenants, Commanders, Chief) as well as other direct support staff. The direct cost of support to a Sheriff Deputy also excludes the functions, programs and projects excluded from the direct cost of a Sheriff Deputy.

3. Anticipated salary and benefits increases. The direct cost of a Sheriff Deputy and the direct cost of support to a Sheriff Deputy are estimated for the next fiscal year based on the prior fiscal year's actual average costs. In order for these estimated costs for the next fiscal year to more closely match the actual average costs for the next fiscal year, the prior year actual average costs are adjusted for anticipated salary and benefit increases, such as negotiated cost of living increases and projected employer pension contribution changes. These adjustments help reduce the amount of any true-up required, as explained in 7. below, in order to match estimated costs billed to actual costs incurred.

4. Direct services and supplies and other charges. This is the actual hourly cost per a Sheriff Deputy of direct services and supplies and other charges incurred for law enforcement. This includes equipment maintenance, vehicle fuel, training, motor pool charges, liability insurance, and various other law enforcement expenditures. This also excludes any expenditures for functions, programs and projects that are excluded from the direct cost of a Sheriff Deputy.

5. Indirect Cost of Support and Administration. This is determined using the indirect cost rate calculated for the Sheriff's Support and Administration Division, including Cost Allocation Plan charges applied to Sheriff Law Enforcement. This rate is applied to the direct cost of a Sheriff Deputy and the direct cost of support to a Sheriff Deputy in order to determine the indirect costs applicable to law enforcement services. The rate is calculated annually by the Sheriff's Office in accordance with federal cost principles and reviewed by the Auditor-Controller. The rate used for

determining indirect costs billable to cities excludes any costs that are general overhead costs of operation of the County government.

6. Public safety dispatch costs. This is the CITY's proportionate share of the Sheriff's public safety dispatch costs allocated to law enforcement. The CITY's share of these costs are based on the total hours purchased by the CITY as a percentage of the Sheriff's total law enforcement hours

7. True-up to actual cost. Because the cost model estimates the costs for next year based on the prior year actual costs, a comparison of what was estimated and billed for next year and what the costs actually are will be performed after the close of next year. The difference, whether positive (due to actual costs exceeding estimated costs) or negative (due to estimated costs exceeding actual costs), is then included in the costs estimated for two years later in order to true-up the estimated costs billed next year to the actual costs incurred.

8. Sheriff's Law Enforcement Contract Services Bureau. This is the CITY's proportionate share of the Sheriff's Contract Law Enforcement Unit costs. The CITY's share of these costs are based on the total hours purchased by the CITY as a percentage of the Sheriff's total law enforcement hours.
