WHEREAS, the County of Santa Barbara must adopt by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the County of Santa Barbara, will receive an estimated \$6.5 million in RMRA funding in Fiscal Year 2018-19 from SB 1; and

WHEREAS, this is the second year in which the County of Santa Barbara is receiving SB 1 funding and will enable the County of Santa Barbara to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the County uses a robust planning process to ensure public input into the project list; and

WHEREAS, the County uses a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and
