Modifications to Exhibits

- Several modifications to exhibits were made to more adequately reflect actual work being done (Sheriff & Probation);
- Initial contract implementation plans were removed to include paper medical record verbiage (Sheriff & Probation);
- Definitions were added to clarify some aspects/positions (Sheriff & Probation);
- Facility staffing plans were updated (Sheriff & Probation);
- Medication assisted treatment (MAT) verbiage was added (Sheriff);
- Addition of Northern Branch Jail facility (Sheriff);

Accreditation Update

- Original contract called for contractor to seek National Commission on Correctional Health Care (NCCHC) accreditation.
 - Sheriff's Office:
 - Contractor met contract requirements to submit an action plan, timetable and resource needs to the Sheriff's Office within 12 months of initial agreement;
 - Application for accreditation was submitted in July 2019;
 - Audit was scheduled for March 25, 2020, but was postponed due to COVID-19;
 - Probation Department:
 - Contractor met contract requirements to submit an action plan, timetable and resource needs to the Probation Department within 12 months of initial agreement;
 - Application for accreditation was submitted in July 2019 – Awaiting audit;
