Summary Text:

The Human Trafficking Advocacy (HA) Program provides outreach to human trafficking victims, as well as those at risk of being trafficked. Funding through Cal OES and required County match supports 1.05 FTE of existing Victim/Witness Advocates and 0.25 FTE of an existing Victim/Witness Supervisor.

Per the Cal OES Grant Agreement, the District Attorney is required to maintain written documentation on file showing authorization by the Board of Supervisors for the District Attorney to sign the grant agreement. In order to meet state deadlines and properly receive the grant funding, the District Attorney preliminarily executed the grant agreement pending formal authority from the Board of Supervisors. The purpose of this Board Letter is to request that the Board formally authorize the District Attorney to sign the Grant Agreement with Cal OES for the HA Program grant award for the award period of January 1, 2020 through December 31, 2020, in the amount of \$150,000.00, plus \$7,500 in local County match, for a total project cost of \$157,500.

Background:

The HA program is part of the DA's Victim Witness Assistance Program, which is charged with implementing the provisions of Penal Code 13835, to provide optional and mandatory services to victims of crime in Santa Barbara County. The HA Victim/Witness Advocate provides these mandated services, focusing on human trafficking victims, including victims of both forced labor and sex trafficking. In addition, the HA Victim/Witness Advocate attends juvenile court proceedings and collaborates with Juvenile Probation, Behavioral Wellness, District Attorney, and Public Defender staff to advocate for and provide services to suspected victims of trafficking.

In 2013, a local task force consisting of various County departments, local law enforcement, and non-profit agencies was created to educate the community and stakeholders to recognize, identify and respond to trafficked victims. In addition, the task force provides a venue for information sharing and networking on resources available from each of the respective agencies. Under the direction of the District Attorney, the Victim Witness Project Director and Supervisor continue to facilitate the Countywide Human Trafficking Task Force, coordinating and delivering training, avenue for services and outreach on the subject. In collaboration with the County Department of Child Welfare Services (CWS) and Probation, the HA program has developed screening tools for CWS and Probation to use to help identify at risk youth. Children identified as victims are referred to the HA Victim/Witness Advocate for services.

During the prior grant period of October 1, 2018 through September 30, 2019, victim services were provided to 63 victims of human trafficking. Of those served, 96% were female. A total of 37 victims were minor victims of trafficking identified through law enforcement, juvenile justice partners, or Child Welfare Services.

Fiscal and Facilities Impacts:

Budgeted: Yes. Revenues and expenditures are included in the Fiscal Year 2019-20 Adopted Budget and the 2020-21 Adopted Budget.

Fiscal Analysis:

The grant award reflects one year of program expenses for the period of January 1, 2020 through December 31, 2020. The grant funding spans across two fiscal years. The total project cost is \$157,500. This includes the \$150,000 grant award, and a \$7,500 cash match that was included in the original grant award. The cash match was included in the District Attorney’s Fiscal Year 2019-20 Adopted Budget and 2020-21 Adopted Budget. The cash match has since been waived.
