Title: Behavioral Wellness: Restricted Fund Balance and General Fund to offset COVID-19 revenue loss

- Budget Action: Decrease budgeted revenues of \$3,298,738 in the Behavior Wellness (MHSA) Fund offset by a release of Restricted Purpose of fund (\$2,048,738) and an operating transfer in (\$1,250,000) from the General Fund (GF). Increase appropriations of \$1.25M in General County Programs GF for Other Financing uses funded by release of Committed Mental Health Fund Balance. Decrease budgeted revenues of \$583,000 in the Behavioral Wellness (MH) Fund offset by a release of Restricted Purpose of fund balance.
- Justification: The budget revision is necessary due to the negative impact of COVID-19 on Behavioral Wellness MHSA and MH Fund revenue sources. MHSA revenue is allocated to counties as personal income tax (PIT) payments are made by individuals and collected by the state. Due to the State's delay of calendar year 2019 PIT due date from 4/15 to 7/15, the department will receive lower MHSA revenues in FY 2019/20, but will receive these revenues in FY 2020/21. Overall MHSA Revenues are anticipated to be lower by 6-10% due to COVID-19 when looking at FY 2019/20 and FY 2020/21 combined, but the large unanticipated drop at year end, necessitating this BJE was primarily due to this delayed filing deadline.

Title: Behavioral Wellness: Federal Financial Participation and State General Funds Revised DHCS Invoice

Budget Action: Increase appropriations of \$156,000 in the Behavioral Wellness Mental Health Services Act Fund for Other Charges funded by unanticipated Revenue from Audit Settlements.

Justification: The state issues a revised overpayment invoice for FY 2013/14 through FY 2018/19, increasing the total due to the state by \$156,000. The Behavioral Wellness had anticipated issuing repayment of \$441,000 for this period, although the revised invoice received 07/08/2020 indicated that this amount had increased to a total of \$597,101.25. These overpayments are due to the state's Short Doyel Medi-Cal claim processing system issuing payments based on incorrect Federal Financial Participation (FFP) and State General Funds (SGF) ratios.

Title: Increase Appropriations for Unanticipated Cannabis Tax Revenue

- Budget Action: Establish appropriations of \$1,867,086 in General Revenues General Fund for Intrafund Expenditure Transfer (Out) funded by unanticipated Cannabis Tax revenue. Increase appropriations of \$1,867,086 in General County Programs General Fund to increase Committed Cannabis fund balance funded by an Intrafund Expenditure Transfer (In) from the General Revenues General Fund.
- Justification: Cannabis tax revenue received for the fourth quarter of FY 19/20 has exceeded the amount that staff had estimated and accrued. This surplus of fourth quarter tax revenue received in the amount of \$1,867,086 results in revenue actuals exceeding the FY 19/20 adopted budget. This budget revision establishes the pathway to preserve this excess amount in the General County Programs Committed Fund Balance.
