Late service data and claims may only be submitted in accordance with State and federal regulations. Behavioral Wellness shall provide to Contractor a report that: i) summarizes the Medi-Cal UOS approved to be claimed for the month, multiplied by the provisional rate in effect at the time of service, ii) states the amount owed by County, and iii) includes the Agreement number. Contractor shall review the report and indicate concurrence that the report will be the basis for Contractor's provisional payment for the month. Contractor shall indicate concurrence within two (2) business days electronically to the County designated representative or to:

financecbo@co.santa-barbara.ca.us

Santa Barbara County Department of Behavioral Wellness

ATTN: Accounts Payable 429 North San Antonio Road Santa Barbara, CA 93110 –1316

Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

2. <u>Submission of Claims and Invoices for Non Medi-Cal Services</u>. Contractor shall submit a written invoice within 15 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the services less any applicable revenues, including the provisional Medi-Cal payment as described in VI.A.1 of this Exhibit B MH, as appropriate, ii) states the amount

- owed by County, and iii) includes the Agreement number and signature of Contractor's authorized representative. Invoices shall be delivered to the designated representative or address described in Section VI.A.1 (Submission of Claims and Invoices for Medi-Cal Services) of this Exhibit B MH. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.
- 3. The Program Contract Maximums specified in Exhibit B-1 MH and this Exhibit B MH are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

The Behavioral Wellness Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. County shall make provisional payment for approved claims within thirty (30) calendar days of the generation of said claim(s) and invoice by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto.

E. Withholding of Payment for Unsatisfactory Clinical Documentation. Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State, and County written standards. County may also deny payment for services that are provided without a current client service plan.

XXVII. Delete Exhibit B MHS Financial Provisions, Section VII (Cost Report), Subsection D (Audited Financial Reports) and replace it with the following:

VII. COST REPORT

D. Audited Financial Reports: Contractor is required to obtain an annual financial statement audit and submit to County a copy of their audited annual financial statement, including management comments. This report shall be submitted within thirty (30) days after the report is received by Contractor.

XXVIII. Delete <u>Exhibit B</u> MHS Financial Provisions, <u>Section VIII (Pre-audit Cost Settlements)</u>, <u>Subsection A (Pre-audit Cost Report Settlements)</u> and replace it with the following:

VIII. Pre-audit Cost Settlements.

- A. Pre-audit Cost Report Settlements. Based on the original and final/reconciled Annual Cost Report(s) submitted pursuant to this Exhibit B MH Section VII (Cost Reports) and State approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the County will perform pre-audit cost report settlement(s). Such settlements will be subject to the terms and conditions of this Agreement and any other applicable State and/or Federal statutes, regulations, policies, and procedures, or requirements pertaining to cost reporting and settlements for applicable Federal and/or State programs. In no event shall the settlement exceed the maximum amount of this Agreement. Settlement for services shall be adjusted to the lower of:
 - 1. Contractor's published charge(s) to the general public, as approved by the Contractor's

governing board, unless the Contractor is a Nominal Fee Provider. The federal published charges rule is applicable only for the outpatient, rehabilitative, case management, and 24-hour services.

- 2. The Contractor's actual costs.
- 3. The County Maximum Allowable rate, unless Director or designee approves in writing in the year-end cost settlement, that use of the County Maximum Allowable rate was waived for settlement purposes.
