---

On May 18, 2021 the Public Works Department set a hearing for June 22, 2021 for the Development of a Countywide Community Workforce Agreement (CWA) Ordinance and Project Template. The Department requests the Continuance of this item from June 22, 2021 to August 17, 2021.

This item contains five potential options for your Board to consider with regards to approval of a Countywide CWA Project Template. Two of those five options rely upon the City of Santa Barbara's final approval of their CWA. At this time, it appears that the City of Santa Barbara will not consider that final approval prior to June 22, 2021. Further continuance of this item, if necessary, will be dependent upon the City's final approval of their CWA.
