Summary Text:

This report is submitted in accordance with Civil Service Rule 202 (c) and summarizes the work conducted by the Civil Service Commission in Fiscal Year 2020-2021.

Background:

Santa Barbara County voters established the current Civil Service System on November 3, 1970. As noted in the County Code, the basic purpose of the Civil Service System is "to establish and maintain a fair and equitable employment relationship between the County and its employees, which will promote and increase efficiency and economy in County service."

The Civil Service Commission consists of five members, one appointed from each supervisorial district, charged with the administration of the County's Civil Service System. The Commission holds hearings on appeals of disciplinary actions as provided by the Civil Service Rules; holds hearings on discrimination complaints; conducts investigations concerning the administration of personnel or conditions of employment; makes recommendations on Civil Service Rules and advises the Board of Supervisors; and submits an annual report to the Board of Supervisors.

Attachment A is the required annual report for Fiscal Year 2020-2021; the recommended action is to receive and file this report.
