Title: Consider recommendations regarding County Service Area (CSA) No. 12 (Mission Canyon Sewer District) Resolution relative to Septic Management Administration Charges on the Tax Roll, First District, as follows:

a) Determine that the proposed action is for the establishment of rates for services provided by Public Health Department Environmental Health Services; that no expansion of services or facilities will result, and that the revenues will be used for field surveys of the Mission Canyon Septic Maintenance district area, offering financial incentives for homeowners to provide routine maintenance of their systems, and educational programs;

b) Find that the proposed action is for the establishment of solid waste handling, disposal and collection fees and rates by the County which are for the purpose of meeting operating expenses and financial reserves; that no expansion of services or facilities will result; that the proposed action is therefore exempt from the California Environmental Quality Act (CEQA) pursuant to 14 CCR 15273(a)(1)(2)(3) and (4); and approve the filing of a Notice of Exemption on that basis; and

c) Adopt the Resolution establishing the septic system management charges for CSA No. 12 (Mission Canyon Sewer District) and provide for collection on the Tax Rolls for Fiscal Year 2015-2016.
