

Legislation Details (With Text)

File #: 01-00536 Version: 1
Type: Agenda Item Status: Passed
File created: 5/15/2001 In control: BOARD OF SUPERVISORS
On agenda: 5/1/2001 Final action: 5/1/2001
Title: HEARING - Consider recommendations regarding the Septic System Servicing and Inspection Program, as follows: (EST. TIME: 45 MIN.)

- a) Direct the County Public Health Department to forward a request to the State Water Resources Control Board for approval of modifications to the Septic-to-Sewer Conversion Program description to allow for funding of focused environmental impact studies relative to septic-to-sewer conversion projects;
b) Direct County Public Health Department staff to work with interested environmental groups, homeowner groups, sanitary districts and other County agencies to define the guidelines for use of the Septic-to-Sewer Conversion Program funding;
c) Defer consideration of County Code revisions for mandatory servicing and inspection of septic systems until the completion of the County-wide Sanitary Survey Project;
d) Accept a report on the status of the septic system program;
e) Upon acceptance of the requested modifications by the State Water Resources Control Board for use of the state funding for the septic-to-sewer program, direct Public Health Department Staff to reserve, subject to certain conditions, \$28,248 for the Carpinteria Sanitary District Rincon Point sewer project for a portion of costs for engineering studies, CEQA Initial Study and Phase I Archaeological Survey.
