Additionally, allocate \$40,000.00 from the County Equity funding set-aside for expanded public outreach for hard to reach and disadvantaged communities, for a total allocation of up to \$490,000.00. Of which up to \$270,000.00 for Planning and Development Department Staff time and related costs to process comprehensive plan, community plan, and zoning ordinance amendments to be proposed by Community Services that support recreation, and up to \$220,000.00 for Community Services to serve as the applicant submitting amendments, to pay for filing requirements, expanded public outreach to disadvantaged communities, and to fund consultant services for planning and environmental documentation related to the development and submittal of Comprehensive Plan, community plan, and zoning ordinance amendments;

- f) Determine that the above recommended actions are exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15262 and 15378(b)(4) of the State Guidelines for the Implementation of CEQA, finding that the activities involve only feasibility or planning studies for possible future actions which the Board has not approved, adopted or funded and are the creation of government funding mechanisms or other government fiscal activities which do not involve any

commitment to any specific project which may result in a potentially significant impact on the environment.
