a) Determine that the Voluntary Early Separation Incentive Program (VESIP) serves the public purposes of the County because it addresses a projected budget shortfall with a minimum amount of disruptive reductions in workforce;

b) Adopt a Resolution which establishes VESIP and authorizes the Human Resources Director to implement the program in accordance with the Resolution; and

c) Determine pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15378(b)(4) that the above action is a government fiscal activity which does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment, and therefore is not a project subject to environmental review.
