**Title:** Consider recommendations regarding Lower Mission Creek - Reach 2A revised sketch of Open Channel Area to Resolution of Necessity for Easement Acquisitions (APN: 033-074-001), Second District, as follows: (4/5 Vote Required)

Acting as the Board of Directors, Flood Control and Water Conservation District:

a) Approve and authorize the Clerk of the Board to amend the general description of the permanent easement in the March 15, 2016 Resolution of Necessity (Resolution) description of Permanent Easement including adding a sketch of the "Open Channel Area" for the acquisition of a permanent easement necessary for the Lower Mission Creek - 2A Project (Project), on the property located at 134 Chapala Street, Santa Barbara (Property); with the description set forth in the Resolution which more accurately conforms to the Project; and

b) Find that pursuant to the California Environmental Quality Act (CEQA) Section 15162, no new effects will occur and no new mitigation measures would be required as a result of the approval of the recommended action and therefore, pursuant to CEQA Section 15162, the action is within the scope of the Project covered by the Environmental Impact Statement/Environmental Impact Report (EIS/EIR) for the Project, as well as the findings and statement of overriding considerations accepted by the Board of Directors as a responsible agency on May 10, 2011, and no new environmental document is required.
