File #: 22-00883 **Version:** 1

Type: Departmental Agenda **Status:** Agenda Ready

File created: 9/23/2022 **In control:** BOARD OF SUPERVISORS

On agenda: 10/4/2022 **Final action:** 10/4/2022

Title: HEARING - Consider recommendations regarding a Building Electrification Ordinance, as follows: (EST. TIME: 1 HR.)

a) Direct staff to proceed with developing an Ordinance that regulates natural gas infrastructure in new construction, additions, and major alterations, based on health and safety concerns and climatic, geological, and topographical conditions (Option 4), or provide other direction to Staff; and

b) Determine that the above recommended actions do not constitute a project pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15378(b)(2), as this involves continuing administrative activities; when projects and programs proceed to implementation, they may be subject to environmental review under CEQA; and that the above recommended actions are exempt from CEQA pursuant to CEQA Guidelines Section 15308, which consists of actions taken by regulatory agencies, as authorized by state or local Ordinance, to assure the maintenance, restoration, enhancement, or protection of the environment where the regulatory process involves procedures for protection of the environment.
