Consider recommendations regarding a third amendment to the agreements with Aspiranet and Seneca Family of Agencies for permanency assessment services, as follows:

- a) Approve and authorize the Chair to execute the third amendment to the agreement with Aspiranet, a local vendor, for the provision of permanency assessment services in the amount not to exceed \$60,000.00 for the period of July 1, 2018 through June 30, 2019;
- b) Approve and authorize the Chair to execute the third amendment to the agreement with Seneca Family of Agencies, a local vendor, for the provision of permanency assessment services in the amount not to exceed \$80,000.00 for the period of July 1, 2018 through June 30, 2019; and
- c) Determine that the approvals and execution of the above amendment is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b)(3), finding that the approvals and execution of the amendment is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment, and where it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment, the activities are not subject to CEQA.
