Consider recommendations regarding Easements for Public Utility Purposes for Parcel Map No. 14,720, Higgins/Martino, 06TPM-00000-00028, Third District, as follows:

- a) Accept on behalf of the Public, pending recordation of Parcel Map No. 14,720, the offer of dedication for the Easements for Public Utility Purposes as shown on said map, and authorize the Clerk of the Board to endorse the Parcel Map No. 14,720 accepting said Easements as defined on said map; consummation of the acceptance of the Easements for Public Utility Purposes is subject to recordation of the subject Map; and
- b) Determine that, pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15162, no new effects will occur and no new mitigation measures would be required as a result of the recommended actions because there are no substantial changes proposed, no substantial changes in circumstances, and no new information of substantial importance regarding environmental effects of the project or of the sufficiency or feasibility of mitigation measures, and therefore the recommended actions are within the scope of the environmental review documents for this project [Final Mitigated Negative Declaration (07NGD-00000-00035) approved and adopted by the Santa Barbara County Planning Commission on January 9, 2008] and no new environmental document shall be prepared for this project.
