Consider the acceptance of grant funds from the US Bureau of Reclamation and applications to the State Water Resources Control Board, as follows:

a) Accept grant funds from the US Bureau of Reclamation to the County Water Agency, as follows:

i. Reprinting the brochure entitled Sustainable Landscaping: Resource Efficient Landscapes for the Central Coast (\$5,700);

ii. Implementing a Water Efficiency Advertising Campaign (\$15,000);

b) Concur with applications to the State Water Resources Control Board for Proposition 13 grant funds to Project Clean Water, as follows:

i. Implementation of the Green Gardener Certification Program (\$73,000);

ii. Continuation of the Santa Barbara Coastal Bioassessment Program (\$60,000).
