Consider the acceptance of a Quit Claim and Grant of Easement for property adjacent to Alamo Pintado Road, Third District, as follows:

- a) Accept the Quitclaim Deed from the Santa Ynez River Water Conservation District, Improvement District No. 1 (a public corporation) by executing the Certificate of Acceptance, releasing the District's easement interest in County-owned, unimproved parcel of land known as APN 137-110-066 (the District's pipeline does not lie within the easement being quitclaimed by the District);
- b) Approve and execute the Easement Deed from the County to the District, replacing the easement quitclaimed above and correctly identifies the location of the District's pipeline.
