**Consider recommendations regarding the Countywide Telephone System replacement, as follows:**

- a) Authorize General Services to complete the upgrade of the County-Wide Telephone System in Fiscal Year 2002-03 (originally scheduled for FY 04/05);
- b) Approve an appropriation transfer of \$1,747,374 from fund 1919 replacement reserves;
- c) Approve a waiver of the competitive bid requirement for the telephone system upgrade and authorize General Services to negotiate a contract with NEC BNS Inc. the current provider and local vendor.
