Consider recommendations regarding the Traffic Engineering Committee, as follows:

- a) Adopt a Resolution to reestablish the Traffic Engineering Committee to include a representative from County Fire, remove the Automobile Club of Southern California, and set a quorum at 4 members; and
- b) Find that the proposed action does not constitute a “Project” within the meaning of the California Environmental Quality Act, pursuant to 14 CCR 15378, as it involves administrative and other general policy and procedure making activities that will not result in direct or indirect physical changes to the environment.
