Consider recommendations regarding a Bid Waiver Request for laboratory equipment, as follows:

- a) Authorize the Purchasing Manager to enter into an Agreement with Beckman Coulter (not a local vendor) for the purchase, reagents and maintenance of two (2) ACL Elite laboratory devices, in an amount not to exceed \$115,829, for five years without a competitive bid; and
- b) Determine that these activities are exempt from California Environmental Quality Act review per CEQA Guideline Section 15061(b)(3), since it can be seen with certainty that there is no possibility that the activities may have a significant effect on the environment.
