Consider recommendations regarding authorization to allocate a job classification of Chief Information Security Office (Enterprise Leader) to the County Executive Office, as follows:

- a) Approve and authorize the Chair to allocate one (1) full-time equivalent (FTE) Enterprise Leader - General position effective April 23, 2018, funded by the Risk Management Fund in the County Executive Office (to be used and recruited for a Chief Information Security Officer); and
- b) Determine pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15378(b)(4) that the above action is a government fiscal activity which does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment, and therefore is not a project subject to environmental review.
