Consider recommendations regarding the Cold Springs Debris Basin Improvement Project, First District, as follows:

Acting as the Board of Directors, Flood Control and Water Conservation District:

- a) Reject all bids from the Cold Springs Debris Basin Improvement Project (Project No. SC8355) bid opening on April 25, 2023;
- b) Authorize the Public Works Director to re-advertise and receive bids for the Cold Springs Debris Basin Improvement Project; and
- c) Determine that the proposed action does not constitute a “Project” within the meaning of California Environmental Quality Act (CEQA), pursuant to Section 15378(b)(5) of the State CEQA Guidelines, because it consists of an administrative activity that will not result in a potentially significant impact on the environment.
