Consider recommendations regarding participation in the Alternative Voluntary Redevelopment Program, as follows:

- a) Consider the adoption (second reading) of an Ordinance determining that the County will comply with the Alternative Voluntary Redevelopment Program pursuant to Part 1.9 of Division 24 of the California Health and Safety Code in order to permit the continued existence and operation of the Redevelopment Agency of the County of Santa Barbara (Continuation Ordinance); and
- b) Determine, that the above action does not constitute a “project” under the California Environmental Quality Act (CEQA) but instead consists of the creation or continuation of a governmental funding mechanism for potential future projects and programs and/or governmental organizational activities pursuant to CEQA Guideline Sections 15378(b)(4) and 15378(b)(5).
