File #: 07-00155, **Version:** 1

Consider the recommendations regarding the Santa Maria Fuel System Upgrade Project # 8566, Fifth District, as follows:

- a) Approve the plans and specifications to upgrade the fuel dispensing systems at the existing fuel facility in Santa Maria. The estimated construction cost is \$244,000;
- b) Adopt the Categorical Exemption pursuant to the County's California Environmental Quality Act (CEQA) guidelines for the Santa Maria Fuel System Upgrade project; and
- c) Authorize the Director of General Services to advertise for construction bids for the fuel system upgrade project.
