Consider recommendations regarding the Report on Case No. 22EMP-00000-00001, Emergency Permit to repair an existing slope failure at 1297 N. Ontare Road in the Eastern Goleta Valley Community Plan Area, First District, as follows:

- a) Receive and file this report on Emergency Permit Case No. 22EMP-00000-00001, approved by the Director of Planning and Development on March 1, 2023, which authorized the repair of an existing slope failure that required installation of a caisson-supported retaining wall spanning approximately 100 feet in length with a maximum height of six feet; and
- b) Determine that receiving and filing this report is not a project pursuant to California Environmental Quality Act Guidelines Section 15378(b)(5), as it is an administrative government activity that will not result in direct or indirect physical changes in the environment.
