File #: 09-00297, **Version:** 2

Consider recommendations regarding the establishment of Purchasing Agreements with vendors for the supply of aggregates, hot mix asphalts, and concrete, and adopt a Resolution to allow for sole-source specification of the rejuvenating agent polymer used in the construction and maintenance of County maintained roads, as follows:

- a) Find that PA-AS-1 Polymer be specified by name in all contracts utilizing this technology as this specific polymer is (1) an essential item and (2) available from only one source;
- b) Adopt a Resolution finding that the PA-AS-1 polymer should be designated by name in all contracts that utilize this technology;
- c) Approve a waiver of bids that allows the Purchasing Agent to procure aggregate materials, hot mix asphalts (HMA) and concrete used in the repair and construction of County infrastructure on an as-needed basis; and
- d) Make the waiver effective through June 30, 2011.
