Consider recommendations regarding Proposition 4/111 Appropriations Limit, as follows:

Acting as the Board of Supervisors, Board of Directors, Santa Barbara County Fire Protection District, and Board of Directors, Santa Barbara County Flood Control and Water Conservation Districts:

vi) Adopt a Resolution establishing an appropriations limit for FY 2022-2023 for the Santa Barbara North County Lighting District; and

vii) Adopt a Resolution establishing an appropriations limit for FY 2022-2023 for the Santa Barbara County Flood Control and Water Conservation Districts;

c) Select the change in the California Per Capita Personal Income as the price factor in determining the FY 2022-2023 limit for the County of Santa Barbara and special districts, and ratify selections by recorded vote;

d) Select the total change in population within Santa Barbara County for the special districts and the total change in population within the Santa Barbara County incorporated areas for the County of Santa Barbara, and ratify selections by recorded vote. Selecting these factors maximizes the FY 2022-2023 appropriations limits for each jurisdiction; and

e) Determine that the recommended actions are not a “project” under the California Environmental Quality Act (CEQA) per CEQA Guidelines Section 15378(b)(4) since the recommended actions are government fiscal activities which do not involve commitment to any specific project which may result in potentially significant physical impact on the environment.
