Consider recommendations regarding amendments to the Functional Classification of Union Valley Parkway, Fourth District, as follows:

- a) Adopt a Resolution approving the submittal of a Functional Classification Change to the State of California, Department of Transportation for Union Valley Parkway, within the unincorporated area of Santa Barbara County, to be designated a Principal Arterial; and
- b) Find that the proposed actions are for the operation and maintenance of existing public facilities, involving negligible, or no expansion of use beyond that which presently exists, that the proposed action is therefore exempt from California Environmental Quality Act (CEQA) pursuant to 14 CCR 15301(c), and approve the filing of a Notice of Exemption on that basis.
