Consider recommendations regarding the Amended and Restated HEAP Regulatory Agreement for West Cox Apartments affordable housing project (Project) in Santa Maria, Fifth District, as follows:

- a) Approve and authorize the Chair to execute an Amended and Restated County HEAP Loan Regulatory Agreement and Declaration of Restrictive Covenants; and
- b) Determine that the recommended actions are not the acceptance and approval of a project that is subject to environmental review under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15378(b)(4), finding that the project is a creation of government funding mechanisms or other government fiscal activities, which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.
