HEARING - Consider recommendations regarding a long-term water supply update, as follows: (EST. TIME: 1 HR. 30 MIN.)

Acting as the Board of Directors, Water Agency:

- a) Receive and file a report on the status of water supplies in Santa Barbara County;
- b) Receive a report on current and planned water supply projects by the local water purveyors; and
- c) Determine that the proposed action is not subject to California Environmental Quality Act pursuant Guidelines Section 15378(b) (5), as it is an administrative action that will not result in direct or indirect changes to the environment.
