Consider recommendations regarding an agreement with Rotorcraft Support Inc. for maintenance and repair of County Air Support Aircraft, as follows:

- a) Approve, authorize, and ratify the Chair to execute an agreement for maintenance of County Air Support Unit aircraft with Rotorcraft Support Inc, a county authorized vendor, for \$500,000.00 per year for the term of May 1, 2021 to June 30, 2025; and
- b) Determine pursuant to California Environmental Quality Act (CEQA) Guidelines 15378(b)(5) that the above actions are not a project subject to CEQA review, because it is a government administrative activity that does not result in direct or indirect physical changes to the environment.
