Consider recommendations regarding adopting a parking restriction, Fourth District, as follows:

- a) Adopt a Resolution to establish a new parking restriction in the Fourth District; and
- b) Find that the proposed action is for the operation and maintenance of an existing public facility, involving negligible, or no expansion of use beyond that which presently exists, that the proposed action is therefore exempt from California Environmental Quality Act pursuant to 14 CCR 15301(c), and approve and direct staff to file a Notice of Exemption on that basis.
