Consider recommendations regarding the purchase of aviation equipment for a Sheriff's Office airplane with federal funds, as follows:

- a) Approve and authorize the County Purchasing Agent, pursuant to County Code Section 2-39, to purchase aviation equipment from Avalex Technologies and Aero Avionics, Inc. using federal funds; and
- b) Find that this action is not a "Project" within the meaning of the California Environmental Quality Act, pursuant to 14 CCR 1578 (b)(2), in that it is a continuing administrative activity that will not result in a direct physical change in the environment and approve the filing of a Notice of Exemption on that basis.
