File #: 17-00322, **Version:** 3

Consider recommendations regarding an Amendment of Weight Limits Specified in County Code Section 23-10, in the First, Second, Third, and Fifth Districts, as follows:

- a) Adopt the Ordinance (Second Reading) amending Section 23-10 of the Santa Barbara County Code to add weight limits to Padaro Lane Bridge over Arroyo Paredon Creek, and remove weight limits from Kinevan Road Bridge over San Jose Creek 1.06 miles West of State Highway 154; San Antonio Road Bridge over San Antonio Creek; Gary Bridge on Santa Maria Mesa Road over Sisquoc River; Figueroa Mountain Road Bridge over Alamo Pintado Creek 4.2 miles Northeast of State Highway 154; and Los Carneros Road Railroad Overhead Bridge; and
- b) Find the proposed Ordinance amends weight limit posting conditions for existing facilities, which consists of the operation, repair, maintenance, or minor alteration of existing public structures, involving negligible or no expansion of use beyond that which currently exists, and the proposed actions are therefore exempt from California Environmental Quality Act pursuant to 14 CCR 15301(c), and approve and direct staff to file the Notice of Exemption on that basis.
